EXPLANATORY STATEMENT

The following Explanatory Statements pursuant to Section 102 (1) of the Companies Act, 2013 sets out all material facts relating to the businesses mentioned in item no. 1 to 16 of the accompanying Notice of the Extra Ordinary General Meeting (“EGM”).

Item No. 1 and 2

A corporate insolvency resolution process (CIRP) was initiated by financial creditors against the Company under the Insolvency and Bankruptcy Code 2016 before Hon’ble National Company Law Tribunal (NCLT), New Delhi. During CIRP, the applicant i.e. Waaree Energies Limited, on January 06, 2020, submitted its resolution plan for corporate restructuring of the Indosolar Limited. The Hon’ble NCLT approved the said resolution plan on April 21, 2022.

The resolution plan submitted by Waaree Energies Limited comprised the provisions, inter alia, for appointment of Mr. Hitesh Chimanlal Doshi and Mr. Viren Chimanlal Doshi as initial directors of the Company. Accordingly pursuant to approved resolution plan Mr. Hitesh Chimanlal Doshi and Mr. Viren Chimanlal Doshi was appointed as initial directors of the Company on May 18, 2022.

Further the Board, at its meeting held on September 05, 2022, appointed Mr. Hitesh Chimanlal Doshi (DIN:00293668) as a chairman of the Board and furthermore at its meeting held on November 14, 2022, appointed him as Managing Director with effect from such respective Board meeting dates pursuant to applicable provisions of the Companies Act, 2013 (“Act”).

The Company has received consents from aforesaid directors in writing to act as director and intimation in Form DIR-8 pursuant to Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, to the effect that they are not disqualified under sub- section (2) of section 164 of the Companies Act, 2013.

In terms of the requirements of the Companies Act, 2013 and SEBI Listing Regulations, approval of the members of the Company is required for appointment of Mr. Hitesh Chimanlal Doshi as Managing Director (Key Managerial Personnel) of the Company and appointment of Mr. Viren Chimanlal Doshi as Director (Non-executive) of the Company at the general meeting in the Company to be held in the aforesaid year of their appointment.

Subsequent to the approval of resolution plan, the Company filed applications with BSE and NSE (Stock Exchanges) for recommencement of trading/listing of the Company in the month of July 2022. The resolution plan, inter alia, provides for reduction of capital of existing shareholders to the extent of 99% of issued and paid-up capital of the Company which makes Public Shareholding equivalent to 3.85%. Further in terms of the resolution plan Waaree Energies Limited was issued and allotted further shares in the Company amounting to 96.15%. The Company had allotted shares to Waaree Energies Limited however such allotment of shares was not reflected in the demat account of Waaree Energies Limited pending the corporate actions which is again due to pendency of relisting applications with the Stock Exchanges. However, due to certain regulatory aspects dealing with minimum public shareholding for listed companies in CIRP process, the said recommencement of trading/listing applications could not be approved by the Stock Exchanges. Pending such applications, the Company could not call for general meeting of shareholders as it was not in position to ascertain its shareholders as on respective dates due to pendency of corporate actions about reduction of capital of public shareholders and allotment of shares to Waaree Energies Limited. Also, the e-voting facility required by applicable laws could not be made available to shareholders for voting and same could be made available only upon completion of corporate actions.

The Stock Exchanges have now conditionally approved the said applications and subject to compliance with provisions of Companies Act have approved completion of corporate actions for reduction of capital and allotment of shares to Waaree Energies Limited. The Company has now completed said corporate actions and now has convened the general meeting of members. The Board of Directors have now proposed to regularize the appointments of directors as per actions undertaken by it since the approval of resolution plan by Hon’ble NCLT.

The Board is of the view that the appointment of Mr. Hitesh Chimanlal Doshi (DIN 00293668), on the Company's Board as Chairman and Managing Director is desirable and would be beneficial to the Company and hence it recommends to the shareholders to approve his appointment as director from May 18, 2022 and further as Chairman and Managing Director of the Company for a period of (five) 5 years effective from November 14, 2022, on the terms and conditions of appointment and remuneration as approved by the Board of Directors through the said Resolution No. 01 for approval by the members of the Company.

The Board is also of the view that the appointment of Mr. Viren Chimanlal Doshi on the Company's Board as Director (Non-executive) is desirable and would be beneficial to the Company and hence it recommends shareholders to approve his appointment through the said Resolution No. 02 for approval by the members of the Company.

A brief profile of Mr. Hitesh Chimanlal Doshi and Mr. Viren Chimanlal Doshi, including nature of his expertise is provided as Annexure-1 of this Notice.

None of the Directors or key managerial persons except Mr. Hitesh Chimanlal Doshi, and Mr. Viren Chimanlal Doshi, being appointee directors, are concerned or interested, financially or otherwise, in the resolution.

Item No. 3 to 6

The Board comprising of Mr. Hitesh Doshi and Mr. Viren Doshi, at its meeting held on June 16, 2022, appointed Mr. Hitesh Pranjivan Mehta (DIN 00207506) as an Additional Director pursuant to Section 161 of the Companies Act, 2013 ("Act") and as authorized under the resolution plan.

Further the aforesaid Board at its meeting held on August 29, 2022, appointed Mr. Jayesh Dhirajlal Shah (DIN: 00182196) and Ms. Anita Jaiswal (DIN: 08485642) as an Additional Directors (Non-executive Independent) of the Company to hold office as such for a period of 5 years effective therefrom subject to approval of members of the Company in compliance with the provisions of the Act and Listing Regulations.

Subsequently, the Board at its meeting held on September 28, 2024, appointed Mr. Nilesh Bhogilal Gandhi (DIN: 03570656), as an Additional Director (Non-executive Independent) of the Company to hold office as such for a period of 5 years effective therefrom subject to approval of members of the Company in compliance with the provisions of the Act and Listing Regulations.

The Company has received consent in writing from aforesaid directors to act as directors and intimation in Form DIR 8 pursuant to Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, to the effect that he is not disqualified under sub-section (2) of section 164 of the Companies Act, 2013.

As stated above, subsequent to the approval of resolution plan, the Company filed applications with BSE and NSE (Stock Exchanges) for recommencement of trading/listing of the Company in the month of July 2022. The resolution plan, inter alia, provides for reduction of capital of existing shareholders to the extent of 99% of issued and paid-up capital of the Company which makes Public Shareholding equivalent to 3.85%. of shares to Waaree Energies Limited. The Company has now completed said corporate actions and now has convened the general meeting of members. The Board of Directors have now proposed to regularize the appointments of directors as per actions undertaken by it since the approval of resolution plan by Hon'ble NCLT.

The Board is of the opinion that the association of aforesaid directors would be of immense benefit to the Company, and it is desirable to avail their services as Directors.

Accordingly, in terms of the requirements of the provisions of Companies Act, 2013, the approval of members of the Company is required for regularization of Mr. Hitesh Pranjivan Mehta Director (Non-executive) of the Company liable to retire by rotation. Further approval of members of the Company is also required for regularization of Mr. Jayesh Dhirajlal Shah (DIN: 00182196), Ms. Anita Jaiswal (DIN: 08485642) and Mr. Nilesh Bhogilal Gandhi (DIN: 03570656) as Director (Non-executive Independent) of the Company for the first term of 5 years with effect from their initial date of appointment on the board of the Company, not liable to retire by rotation.

None of the Directors / Key Managerial Personnel of the Company other than the appointee directors are concerned or interested, financially or otherwise, in the resolution.

A brief profile of appointee directors including nature of their expertise is provided as Annexure-1 of this Notice.

The Board recommends the passing of the resolutions in Item No. 03 to 06 of the notice as ordinary resolution.

Item no. 7

M/s. A.K.G. & Associates, Chartered Accountants resigned as Statutory Auditors w.e.f. November 14, 2022 citing reasons they would be unable to continue as auditors resulting in a casual vacancy in the office of Statutory Auditors of the Company as envisaged by Section 139(8) of the Companies Act, 2013. In accordance with 139(8)(i) the casual vacancy caused by the resignation of auditor shall be filled by the Board of Directors within (thirty) 30 days but if such casual vacancy is as a result of the resignation of an auditor, such appointment shall also be approved by the company at a general meeting convened within 3 (three) months of the recommendation of the Board and the new auditors shall hold the office till the conclusion of the next annual general meeting.

The Board of Directors of the Company at its meeting held on November 14, 2022, appointed S. G. C. O. & CO LLP, Chartered Accountants (Firm Registration No. 112081W/W100184), as Statutory Auditors of the Company, to fill the casual vacancy caused due to resignation of A.K.G. & Associates. The Board also appointed S.G.C.O. & CO LLP, Chartered Accountants, as statutory auditors for a period of 5 years starting from financial year 2023 to financial year 2027 i.e. until the annual general meeting to be held in the year 2027.

However, for the matters stated above in explanatory statements No. 1 to 6, the appointment of S.G.C.O. & CO LLP, Chartered Accountants (Firm Registration No. 112081W/W100184), as Statutory Auditors of the Company, could not be regularized. Since now the Company has convened the general meeting of members, the appointment of statutory auditors is being proposed for the aforesaid periods.

S. G. C. O. & CO, LLP have conveyed their consent for being appointed as the Statutory Auditors of the Company along with confirmation that their appointment if made by the members would be within the limits prescribed under the Companies Act 2013 and shall satisfy the criteria as provided under section 141 of the Companies Act, 2013.

The Board of Directors of the Company recommends the passing of the resolutions in Item No. 07 of the notice as an ordinary resolution.

None of the Directors or Key Managerial Persons of the Company (including their relatives) are concerned or interested in the said resolution.

Item no. 8 to 10

A corporate insolvency resolution process (CIRP) was initiated by financial creditors against the Company under

the Insolvency and Bankruptcy Code 2016 before Hon'ble National Company Law Tribunal (NCLT), New Delhi. During CIRP, the applicant i.e. Waaree Energies Limited, on January 06, 2020, submitted its resolution plan for corporate restructuring of the Indosolar Limited. The Hon'ble NCLT approved the said resolution plan on April 21, 2022.

Subsequent thereto, the Company had prepared the financial statements for F.Y. 2022, F.Y. 2023 and F.Y. 2024 and such financial statements were approved by the Board of Directors of the Company. The said financial statements were required to be placed before the shareholders of the Company for consideration and adoption at the annual general meetings to be held for respective years.

However, for the matters stated above in explanatory statements No. 1 to 6, the Company could not conduct its annual general meetings for Financial Years ended on March 31, 2022, March 31, 2023, and March 31, 2024 and adopt the financial statements as prescribed by the Companies Act 2013, and other applicable regulations.

Now since the company is holding general meeting, the Board has placed the financial statements for respective financial years for adoption to members. Therefore, the Board of Directors recommends the passing of the resolutions in Item No. 08 to 10 of the notice as ordinary resolution relating to adoption of the financials statement for the Financial Year ended on March 31, 2022, March 31, 2023 and March 31, 2024.

Item no. 11 to 13

Pursuant to the provisions of Section 188 of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014, the Company requires approval of the Board of Directors or the Shareholders as the case may be. Further, Regulation 23 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, ("Listing Regulations") also stipulates that all material related party transactions shall require prior approval of the shareholders through ordinary resolution.

Accordingly, the related party transactions as approved by the Audit Committee and the Board of Directors at their respective meetings held during the financial year 2022-23, 2023-24 and 2024-25 were to be recommended for ratification by the shareholders as the Company details of which are mentioned below.

Pursuant to Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014 and SEBI Circular SEBI/HO/CFD/CMD1/ CIR/P/2021/662, dated November 22, 2021, the particulars of transactions to be entered into by the Company with related parties are as under:

The Members may note that in terms of the provisions of the SEBI Listing Regulations, the related parties as defined thereunder (whether such related party(ies) is a party to the aforesaid transactions or not), shall not vote to approve resolutions as mentioned above.

None of the Directors and/or Key Managerial Personnel of the Company and/or their relatives except Mr. Hitesh Doshi, Hitesh Mehta and Mr. Viren Doshi the Directors of the Company and/or their relatives, are in any way concerned or interested in the aforesaid resolution set out at Item No. 11 to 13 of this Notice, save and except to the extent of their Directorship / Shareholding, if any, in the entity mentioned in the said resolution, and the promoters/related parties will not participate in the voting.

Item 14 & 15

Keeping in view the Company's long term strategic and business objectives, the Company may need additional funds. For this purpose, the Company may, from time to time, raise finance from various Banks and/or Financial Institutions and/ or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which, together with the monies already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and free reserves of the Company. Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any time except with the consent of the members of the Company in a general meeting. In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. Further, Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting.

The above proposal is in the interest of the Company and the Board recommend the Resolutions as set out at Item nos. 14 and 15 for approval by the members of the Company as Special Resolutions.

None of the Directors or Key Managerial Personnel or their relatives are in any way concerned with or interested, financially or otherwise, in the said resolution except to the extent of their shareholding in the Company, if any.

Item 16

Post restructuring of the Company under the CIRP process, the Company may borrow funds from the lenders by availing various fund-based and non-fund based credit facilities including terms loans, demand loans, working capital loans, letter(s) of credit, bill discounting, corporate guarantee (Loan(s)) in the ordinary course of its business from bank(s) and financial institution(s) (Lender(s)) for day to day business requirements from time to time. In this connection, the Company has executed/will be required to execute loan agreement(s), deed(s) of hypothecation, mortgage deed(s), undertaking(s), indemnity(ies), declaration(s), affidavit(s), document(s) and papers ('Financing Documents') to provide security to the Lenders for due repayment and serving of the Loan(s) from time to time. The Company is also required to agree and accept modification(s) in the Financing Documents from time to time as may be required by the lender(s).

The Borrowing amount may increase or decrease in the course of business of the Company within the limit(s) approved by the Members pursuant to provisions of Section 180(1)(c) of the Companies Act, 2013 ('the Act'). One of the standard clauses of the Financing Documents to be executed by the Company in favour of the Lender(s) provide that in case of the occurrence of an event of default which is not corrected/cured by the Company within the period stipulated in the Financing Document(s) or in case of restructuring of debt, the Lender(s) shall have the right to convert the outstanding amounts of the Loan(s) together with all interest, default interest, additional interest, costs, fees, charges and other monies in relation to the Loan(s), to equity or other capital of the Company. The price of the shares for conversion of the Loan(s) will be determined in accordance with the applicable regulations or in accordance with the applicable regulatory guidelines. Pursuant to the proviso to Section 62(3) of the Act approval of the company by way passing Special Resolution is necessary to convert the loan into shares in the Company.

In the opinion of the Board, there are no events or circumstances causing or likely to cause occurrence of the event of default resulting into conversion of Loan(s) into equity or other capital of the Company in the near future. This

During the year under review there were no revenues for the Company as there were no operations and company was under CIRP. After deducting expenses and exceptional items there was loss of Rs. 12,231.78 lacs as compared to loss of Rs. 795.01 lacs during the previous year.

The insolvency proceedings against the Company was initiated by the Lenders/Financial Institutions in October 2018 and the application for Corporate Insolvency Resolution Proceedings (CIRP) against the Company was admitted by the Hon'ble National Company Law Tribunal (NCLT), New Delhi bench vide its order dated April 12, 2019 (CIRP Commencement Date).

Pursuant to the initiation of CIRP, appointment of Resolution Professional was made to carry the functions as mentioned under the Code. During the continuation of Corporate Insolvency Resolution Process (CIRP) the powers of the erstwhile Board of Directors of the Company stood suspended effective from the CIRP Commencement date and such powers along with the management of affairs of the Company were vested with the Resolution Professional.

Further the Hon'ble National Company Law Tribunal, New Delhi Bench on April 21, 2022, approved the Resolution Plan submitted by Waaree Energies Limited ("Resolution Applicant") in respect of Indosolar Limited ("Company"). Upon approval of Resolution Plan by Hon'ble NCLT on April 21, 2022 (Effective Date), the erstwhile board of directors deemed to have resigned effective from said date. The Monitoring Committee ("MC") of the Company (constituted in terms of the Resolution Plan) in its meeting held on May 18, 2022, duly appointed the nominees of the Resolution Applicant as Directors of the Company and approved the reconstitution of the Board of Directors of the Company. Subsequently the Company in addition to nominee directors, appointed other additional and independent directors on the Board of Directors of the Company ("Reconstituted Board"). The fully Reconstituted Board was formed completely on October 21, 2022.

The Directors of the Reconstituted Board were not in office for the period to which these report/annexures for Financial Year 2021-22 primarily pertain. During the CIRP Process (i.e. between April 12, 2019 and April 21, 2022), Resolution Professional (RP) was entrusted with and responsible for the management of the affairs of the Company. The Reconstituted Board is submitting these reports/annexures in compliance with the Act and other Regulations based on the documents provided and information made available by the Resolution Professional and the Directors, as on date, are not to be considered responsible to discharge fiduciary duties with respect to the oversight on financial and operational health of the Company and performance of the management for the period prior to the Effective Date. Some of the annexures, reports and certifications etc. required by law to be part of the Board's Report are either not prepared or submitted alongwith this Board's Report as none such annexures, reports and certifications or information in relation thereto was received from the Resolution Professional.

The Company was undergoing CIRP under the provisions of the Insolvency and Bankruptcy Code, 2016 (Insolvency Code) for the financial year 2021 – 2022 hence the Directors report including its annexures pursuant to the applicable provisions of the Companies Act 2013, SEBI (Listing Obligations and Disclosure Requirements), 2015 and all other applicable laws, rules and regulations could not be obtained.

Waiver of non-compliance

The resolution plan provides for certain exemptions and waiver in respect of compliances with certain applicable laws. Clause (p) of Chapter XIII (Reliefs and Concessions), the Resolution Plan which deals with waiver of actions during implementation of Resolution Plan. Extract of said clause is reproduced below for reference:

From the Effective Date, all inquiries, investigations and proceedings, whether civil or criminal, suits, action, claims, disputes, proceedings in connection with Indosolar or affairs of Indosolar (including those initiated by Governmental Authorities such as the SEBI and RBI), pending or threatened, present or future in relation to any period prior to the Effective Date or even accruing after the Effective Date, but arising out of matters or actions arising prior to the Effective Date, or arising on account of implementation of this Resolution Plan shall stand withdrawn and dismissed and all liabilities and obligations therefore, whether or not set out in the balance sheets of Indosolar or the profit and loss account statements of Indosolar will be deemed to have been written off fully, and permanently extinguished and no adverse orders passed in the said matters should apply to Indosolar or the Resolution Applicant. Upon approval of this Resolution Plan, all new inquiries, investigations, notices, suits, action, claims, disputes, litigations, arbitrations or other judicial, regulatory or administrative proceedings will be deemed to be barred and will not be initiated or admitted against Indosolar and/ or its new management in relation to any period prior to the Effective Date.

Further Clause (w) of Chapter XIII (Reliefs and Concessions), of the Resolution Plan deals with the authorities providing sufficient time to the Resolution Applicant for compliance with various applicable laws during implementation of Resolution Plan. Extract of said clause is reproduced below for reference:

Since the Resolution Applicant has been provided with information in relation to the Business Permits and their current status, it is probable that some of the Business Permits of the Corporate Debtor have lapsed, expired, suspended, cancelled, revoked or terminated or the Corporate Debtor has Non-Compliances in relation thereto. Accordingly, all Governmental Authorities to provide reasonable time period after the Effective Date in order for the Resolution Applicant to assess the status of these Business Permits and ensure that the Corporate Debtor is compliant with the terms of such Business Permits and Applicable Law without initiating any investigations, actions or proceedings in relation to such Non-Compliances and permit the Resolution Applicant to continue to operate and financially revive the business of the Corporate Debtor.

In view thereof the Reconstituted Board shall not be liable for any non-compliances for period prior to Effective Date.

DIVIDEND

Since for the period under review the Company was under CIRP, no dividend has been recommended for the financial year 2021-22.

INDEPENDENT AUDITOR'S REPORT

The Members of INDOSOLAR LIMITED

Report on the Audit of the Financial Statements

Disclaimer of Opinion

We were engaged to audit the accompanying financial statements of **Indosolar Limited**, which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss (including other comprehensive income), the Statement of cash flows and the statement of changes in equity for the year then ended, and notes to accounts, including a summary of significant accounting policies and other explanatory information (herein after referred to as "Financial Statements").

We do not express an opinion on the Financial Statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

1. Inventory records were not provided to us for checking. These were not physically verified by us.

Accordingly, we were unable to satisfy ourselves by alternative means concerning the inventory quantities held at March 31, 2022 and valuation thereof.

2. Gross block and net block of fixed assets as per books are inconsistent with data provided in Fixed Asset register. As a result of this, we are unable to verify the written down value of fixed assets sold during the year and resultant Profit/Loss.

Delhi, Mumbai, Bengaluru, Jaipur and Karnal

There is a difference of Rs. 283.80 lakh in net fixed assets in the audited balance sheet for the year ended 31st March 2018 and books of accounts produced before us.

3. We were unable to confirm or verify balances of accounts payables included in the Balance Sheet of total amount of Rs. 8,606.58 lakh respectively as at March 31, 2022.
4. Due to non - availability of certificates against Fixed Deposit in Union Bank of India, we were unable to confirm the Fixed Deposit balance with the balance appearing in the books of accounts. As per Books of accounts balance of Fixed Deposit with Union bank of India was Rs. 427.86 Lakh.
5. There was a mismatch in the balance of Security Deposit with Noida Power Company Limited appearing in Books of accounts with that of electricity bill made available to us. As per books balance was Rs. 103.17 Lakh and as per bill Rs. 104.44 lakh.
6. Interest on borrowing in respect of facilities from Corporation bank, Union bank of India and Bank of Baroda has not been booked in the books of account as the company was under moratorium period upto March, 2022. Being the company was under CIRP there is difference in total interest/ penal interest / expenses / other charges of approximately Rs. 1,01,028.27 lakh which pertain to this year or earlier years between claims admitted by Resolution Professional and balances in books as on 16.04.2019. Subsequent to the year-end, on April 21, 2022, the NCLT has approved the terms of the Resolution Plan submitted by Waaree Energies Limited ("Waaree"), which provides, inter alia, the acquisition of the Company by Waaree. The impact of the same has not been taken during the year.
7. The Company (being an EOU) has not been able to meet its commitment under the Foreign Trade Policy on the basis of which the Company imported certain raw material, stores and spares and machineries without payment of custom duty. As on 31st March, 2022 the Company's NFE is positive by Rs. 17,693.23 lakh without considering the import value of amortization of Line-C. However, after amortisation of value of line C NFE becomes negative by Rs 31,213.21 lakh. The company is not able to achieve positive NFE during the stipulated time; the company would be liable to duties and penalties payable in accordance with Notification No. 52/2003 Cus. Dated 31.03.2003. Presently we are unable to assess upon the possible impact if any on the accompanying statement.
8. In the matter of Company's claim for eligibility of capital subsidy of Rs. 300 Crores under SIP scheme of Govt. of India. The uncertainty exists with regard to its quantum and receipt of claim pending its appraisal by Department of Electronics & Information Technology (DEIT). In the absence of the reasonable assurance, the management has not recognized the claim.
9. Company was under CIRP as explained in Note 34 of Notes to the Financial Statements. Subsequent to the year-end, on April 21, 2022, the NCLT has approved the terms of the Resolution Plan submitted by Waaree Energies Limited ("Waaree"), which provides, inter alia, the acquisition of the Company by Waaree.

The Board of Directors of the Company has been reconstituted on May 18, 2022 with nominees of Waaree being inducted as member of the Board.

10. The Non-adherence of IND-AS as explained in Note 42 of Notes to the Financial Statements.
11. Referring to the approved Resolution plan by the NCLT order dated 21st April, 2022. *"Upon approval of the Resolution Plan by the NCLT, all non-compliances, breaches and defaults of Indosolar for the period prior to the Effective Date (including but not limited to those relating to tax), shall be deemed to be waived by the concerned Governmental Authorities. Immunity shall be deemed to have been granted to Indosolar from all proceedings and penalties under all Applicable Laws for any non-compliance for the period prior to the Effective Date and no interest/penal implications shall arise due to such non-compliance /default /breach prior to the Effective Date or even accruing after the Effective Date, but arising out of matters or actions arising prior to the Effective Date".*

The approval of the Resolution Plan subsequent to 31 March 2022 has been considered as a non-adjusting event for the purpose of financial statements for the year ended 31 March 2022. Pursuant to such approval of the Resolution Plan, the financial statements for the year ended 31 March 2022 have been prepared on a going concern basis. As required by Ind AS 10, 'Events after Balance Sheet date', the possible financial effects of this non-adjusting event has been mentioned under Note 34.

Emphasis of Matter

We draw attention to the following matters:

1. Note No 10 of the financial statements regarding inventories. Closing stock of stores, spares and other consumables has been taken as NIL.
2. Note 34 regarding verification and admission of claim by RP. As per the IBC code the RP has to receive, collate and reconcile all the claims submitted by the creditors of the company. The RP has verified and admitted the claims submitted by the creditors against the company as per the Code.
Accounting impact in the books of accounts has not been made in respect to excess, short or non-receipts of claim or liabilities for financial and operational creditor as the Resolution plan has been approved during the subsequent year on 21st April, 2022.
3. As per "Indian Accounting Standard 36", "Impairment of Asset", if the carrying amount of the asset is more than recoverable amount then asset need to be impaired and as per "Indian Accounting Standard 109" on financial assets through expected credit loss method basis these provisions we were required to seek for any impairment obligations from management, since the Company was under the process CIRP the management determined value in use as on 31st March 2022 by taking valuation report of April 2019 and taking depreciation for the intervening period thus the property, plant & equipment has been impaired by Rs.10,747.88 Lakh during the year.

Non-Recoverable security deposits and balances with government authorities by Rs. 11.48 Lakh and Rs. 46.57 Lakh respectively. Provision for doubtful debts has been created by Rs. 100.92 Lakh against advances to suppliers, Capital Advance and trade receivables.

4. Note 34 and Note 43(a)(i) of the financial statements regarding approval of resolution plan by the NCLT on 21st April 2022 consequently, preparation of financial statements as on 31st March, 2022 on going concern basis.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Except for the matters described in the Basis for disclaimer of opinion and Material uncertainty related to going concern, we could not determine whether there are other key audit matters or not to be communicate in our report.

Information other than financial statements and Auditor's Report thereon

The Management of the company is responsible for the preparation of the other information. We have not obtained the other information comprises of the Financial or non-financial information (other than financial statements and the auditor's report thereon) included in an entity's annual report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance/conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, are required to report that fact. We have nothing to report in this regard.

Management and Those Charged with Governance's Responsibility for the Financial Statements

The Management of the company is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting

Standards specified under section 133 of the Act, read with Companies (Accounts) Rules, 2015.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating for ensuring accuracy and completeness of the accounting records relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters Specified in paragraphs 3 and 4 of the Order.

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Control under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Indosolar Limited** Company under CIRP ("the Company") as on 31st March 2022 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI").

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

Due to inadequate staff and unavailability of relevant records, in our opinion, the Company does not have an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were not operating effectively as at 31st March, 2022. We have not been provided with the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Indosolar Limited**Notes to the financial statements for the year ended 31 March 2022****(All amounts in Rupees in lakh, unless otherwise stated)**

1. Corporate information

Indosolar Limited (the “Company”) is a public company domiciled and incorporated in India (CIN: L18101DL2005PLC134879). The address of the Company’s registered office is C-12 Friends Colony (East) New Delhi 110065. The Company’s shares are listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE).

The Company is the Indian manufacturer of solar photovoltaic cells and its manufacturing facility is located at Greater Noida, Uttar Pradesh. The Company had shut down its production facilities with effect from 15 May 2018.

As at 31 March 2022, the company was under Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code. The Company’s affairs, business and assets were being managed by the Resolution Professional, Mr. Gulshan Gaba, appointed by the Hon’ble National Company Law Tribunal, New Delhi (“NCLT”). Subsequent to the year-end, on 21 April 2022, the NCLT has approved the terms of the Resolution Plan submitted by Waaree Energies Limited (“Waaree”), which provides, inter alia, the acquisition of the Company by Waaree. Refer note 34.

2. Authorization of financial statements

After admission of application by the Hon’ble NCLT, Mr. Gulshan Gaba has in his capacity as RP has taken control and custody of the management and operations of the Company from 16 April 2019. For the information set out in the financial statements for the period upto 16 April 2019, the RP has relied upon the accuracy and veracity of any and all information and data provided by the officials of the Company and the records of the Company made available by such officials. For all such information and data, the RP has assumed that such information and data are in the conformity with the Companies Act, 2013 and other applicable laws with respect to the preparation of the financial statements and that they give true and fair view of the position of the Company as of the dates and period indicated therein. Accordingly, the RP is not making any representations regarding accuracy, veracity or completeness of the data or information in the financial statements.

3. Significant accounting policies

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the period (before CIRP) presented in the financial statements, unless otherwise indicated.

(i) Basis of preparation**a) Statement of compliance with Ind AS:**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 and the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

b) Basis of measurement

These financial statements are prepared under the historical cost convention except for the following material items those have been measured at fair value as required by relevant Ind AS :

- certain financial assets and liabilities that are measured at fair value;

- defined benefit plans - plan assets measured at fair value;

Also, the fair values of financial instruments measured at amortised cost are required to be disclosed in the said financial statements.

Historical cost is generally based on the fair value of the consideration given in exchange for assets.

Fair value measurement:

Fair value is the price that would be received on sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (that is, an exit price). It is a market-based measurement, not an entity-specific measurement. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Where required/appropriate, external valuers are involved.

All financial assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy established by Ind AS113, that categorises into three levels, the inputs to valuation techniques used to measure fair value. These are based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly(i.e. as prices) or indirectly(i.e. derived from prices).

Level 3 inputs are unobservable inputs for the asset or liability.

The fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (*Level 3 inputs*).

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amount approximates fair value due to the short maturity of these instruments.

The Company recognises transfers between levels of fair value hierarchy at the end of reporting period during which change has occurred.

c) Current non-current classification:

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Based on the nature of products / services and time between acquisition of assets for processing / rendering of services and their realization in cash and cash equivalents, operating cycle is less than 12 months. However, for the purpose of current/non-current classification of assets & liabilities period of 12 months has been considered as normal operating cycle.

d) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (i.e. the “functional currency”). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

e) Rounding of amounts:

All amounts disclosed in the financial statements and notes are in Indian Rupees in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

(ii) Use of estimates

The preparation of financial statements in conformity with the recognition and measurement principles of the Ind AS requires management to make judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues, expenses and the results of operations during the reporting period. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Such estimates & assumptions are based on management evaluation of relevant facts & circumstances as on date of financial statements. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

(iii) Revenue recognition

Sale of goods

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, which is mainly upon delivery and the amount of revenue can be measured reliably. The Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as goods and services tax, value added tax, etc.

Interest Income:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of a financial liability or a financial asset to their gross carrying amount.

(iv) Property, plant and equipment (PPE)

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Cost of an item of property, plant and equipment comprises –

- i. its purchase price, including import duties and non –refundable purchase taxes (net of duty/ tax credit availed), after deducting trade discounts and rebates.
- ii. any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- iii. borrowing cost directly attributable to the qualifying asset in accordance with accounting policy on borrowing cost.
- iv. the costs of dismantling, removing the item and restoring the site on which it is located.

Indosolar Limited**Notes to the financial statements for the year ended 31 March 2022****(All amounts in Rupees in lakh, unless otherwise stated)**

PPE in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes direct costs, related pre-operational expenses and for qualifying assets applicable borrowing costs to be capitalised in accordance with the Company's accounting policy. Administrative, general overheads and other indirect expenditure (including borrowing costs) incurred during the project period which are not directly related to the project nor are incidental thereto, are expensed.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress". They are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other items of PPE, commences when the assets are ready for their intended use.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

The Company identifies and determines cost of each component/part of the plant and equipment separately, if the component/part has a cost which is significant to the total cost of the plant and equipment and has useful life that is materially different from that of the remaining plant and equipment.

Machinery spares which meets the criteria of PPE is capitalized and depreciated over the useful life of the respective asset.

Deemed cost on transition to Ind AS:

Under the Previous GAAP, all property, plant and equipment were carried at in the Balance Sheet on basis of historical cost, except leasehold land which was carried at revalued amount. The Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as of April 1, 2016 (the transition date) measured as per the previous GAAP (including previous GAAP revaluation of leasehold land as at 31st December, 2008) and use such carrying value as its deemed cost as of the transition date.

Depreciation:

Depreciation on fixed assets (other than freehold land and capital work in progress) is provided on the straight line method, based on their respective estimate of useful lives, as given below. Estimated useful lives of assets are determined based on internal assessment estimated by the management of the Company and supported by technical advice wherever so required. The management believes that useful lives currently used, which is as prescribed under Schedule II to the Companies Act, 2013, fairly reflect its estimate of the useful lives and residual values of fixed assets, though these lives in certain cases are different from lives prescribed under Schedule II.

Type of assets	Useful life in years
Leasehold Land	Over Lease Period i.e. 90 years
Buildings	
Factory Building	30 years

Indosolar Limited**Notes to the financial statements for the year ended 31 March 2022****(All amounts in Rupees in lakh, unless otherwise stated)**

Non-Factory Buildings	60 years
Plant and Machinery *	5 – 25years
Furniture and Fixtures	10 years
Office Equipment	5 years
Vehicles	8 - 10 years
Computers	3 years

*Based on internal technical evaluation and external advised received, the management believes that the useful lives as considered for arriving at the depreciation rates, best represent the period over which management expect to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

Assets individually costing Rs. 5000 or less are fully depreciated in the year of acquisition.

Depreciation of an asset begins when it is available for use, i.e., when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. Depreciation of an asset ceases at the earlier of the date that the asset is retired from active use and is held for disposal and the date that the asset is derecognised.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease.

Depreciation methods, useful lives and residual values are reviewed periodically including at the end of each financial year. Any changes in depreciation method, useful lives and residual values are treated as a change in accounting estimate and applied/adjusted prospectively, if appropriate.

(v) Intangible assets

Identifiable intangible assets are recognized when the Company controls the asset, it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured.

At initial recognition, the separately acquired intangible assets with finite useful lives are recognised at cost of acquisition. Following initial recognition, the intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Intangible assets not ready for the intended use on the date of the balance sheet are disclosed as ‘intangible assets under development’.

An intangible asset should be derecognised (eliminated from the balance sheet) on disposal or when no future economic benefits are expected from its use and subsequent disposal.

Gains or losses arising from the retirement or disposal of an intangible asset should be determined as the difference between the net disposal proceeds and the carrying amount of the asset and should be recognised as income or expense in the statement of profit and loss.

Indosolar Limited**Notes to the financial statements for the year ended 31 March 2022****(All amounts in Rupees in lakh, unless otherwise stated)**

Deemed cost on transition to Ind AS:

Under the Previous GAAP, all Intangible assets were carried at in the Balance Sheet on basis of historical cost. The Company has elected to continue with the carrying value of all of its intangible assets recognised as of April 1, 2016 (the transition date) measured as per the previous GAAP and use such carrying value as its deemed cost as of the transition date.

Amortisation:

Intangible assets are amortised on a straight line basis over the estimated useful lives of respective assets from the date when the asset are available for use, on pro-rata basis. Estimated useful lives by major class of finite-life intangible assets are as follows:

Type of assets	Useful life in years
Computer software	5 years

The amortisation period and the amortisation method for finite-life intangible assets is reviewed at each financial year end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates and adjusted prospectively.

(vi) Financial instruments**Financial Assets:*****Initial recognition and measurement:***

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, except for trade receivables which are initially measured at transaction price. In case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit and loss. In other cases, the transaction costs are added to or deducted from the fair value of the financial assets.

Financial assets are subsequently classified as measured at

- amortised cost (if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding)
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVTOCI).

Derecognition:

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Asset:

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. This involves use of provision matrix constructed on the basis of historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and the rates used in the provision matrix.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss.

Financial Liabilities and equity instruments:

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a company entity are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

Initial recognition and measurement:

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Indosolar Limited**Notes to the financial statements for the year ended 31 March 2022****(All amounts in Rupees in lakh, unless otherwise stated)**

The fair value of a financial instrument at initial recognition is normally the transaction price. If the Company determines that the fair value at initial recognition differs from the transaction price, difference between the fair value at initial recognition and the transaction price shall be recognized as gain or loss unless it qualifies for recognition as an asset or liability. This normally depends on the relationship between the lender and borrower or the reason for providing the loan. Accordingly, in case of interest-free loan from promoters to the Company, the difference between the loan amount and its fair value is treated as an equity contribution to the Company.

In accordance with Ind AS 113, the fair value of a financial liability with a demand feature is not less than the amount payable on demand, discounted from the first date that the amount could be required to be paid.

The Company's financial liabilities include trade and other payables and loans and borrowings including bank overdrafts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss, unless and to the extent capitalised as part of costs of an asset.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Trade and other payables

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognised amount and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(vii) Preference shares

a. Convertible preference shares

Convertible preference shares are separated into liability and equity components based on the terms of the contract.

On issuance of the convertible preference shares, the fair value of the liability component is determined using a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost (net of transaction costs) until it is extinguished on conversion or redemption.

The remainder of the proceeds is allocated to the conversion option that is recognised and included in equity since conversion option meets Ind AS 32 criteria for fixed to fixed classification. Transaction costs are deducted from equity, net of associated income tax. The carrying amount of the conversion option is not remeasured in subsequent years.

Transaction costs are apportioned between the liability and equity components of the convertible preference shares based on the allocation of proceeds to the liability and equity components when the instruments are initially recognised.

b. Contingent Convertible preference shares

A contingent convertible preference shares is an instrument that is convertible, at the option of the holder, only on the occurrence of a contingent event outside of the control of the holder or the issuer. If the contingent event occurs then the holder has the option, but not the obligation, to convert. If the contingent event does not occur, then the instrument will be settled in cash at maturity/due dates.

The fact that conversion is only contingent does not mean the instrument has no equity component. If, on occurrence of the contingent event, exercise of the conversion option would result in the exchange of a fixed number of the issuer's own equity instruments for a fixed amount of cash (in the functional currency of the issuing entity), the conversion option would meet the definition of an equity instrument under IAS 32 and the overall instrument would be treated as compound instrument.

Whether or not the contingency is within the control of the issuer is an important consideration when classifying financial instruments with contingent settlement provisions as either financial liabilities or equity.

If a contingent settlement provision is regarded as outside the control of the issuing entity, the instrument is classified as a liability by the issuer. If a contingent settlement provision is regarded as within the control of the reporting entity, the instrument will be classified as equity, provided that it has no other features requiring its classification as a liability and that the contingent settlement event is also outside the control of the holder.

The Company has issued 1% Optionally Convertible Cumulative Redeemable Preference shares (OCCRPS) to Union Bank of India under Debt Settlement Agreement pursuant to One Time Settlement with them. In case of an event of default by the Company in timely repayment/redemption as defined in the said Agreement, the Bank has a right to convert the preference shares into equity at a Conversion Price, being higher of par value and market value of the equity share in accordance with SEBI formula. Hence the contingent settlement event is Event of default by the Company which is not within the issuer's (the Company's) control and the exercise of the conversion option would result in the exchange of a variable number of the issuer's own equity instruments.

The Company, the issuer of the instrument does not have the unconditional right to avoid delivering cash or another financial asset (or otherwise to settle it in such a way that it would be a financial liability). Therefore, it is a financial liability of the Company.

(viii) Impairment of Non-financial assets

The carrying amounts of non-financial assets other than inventories are assessed at each reporting date to ascertain whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. An impairment loss is recognised, as an expense in the Statement of Profit and Loss, for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost to sell and value in use. Value in use is ascertained through discounting of the estimated future cash flows using a discount rate that reflects the current market assessments of the time value of money and the risk specific to the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels into cash generating units for which there are separately identifiable cash flows.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amounts of assets to the extent that it does not exceed the carrying amounts that would have been determined (net of amortization or depreciation).

(ix) Borrowing costs

Borrowing costs comprises interest expense on borrowings calculated using the effective interest method and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

The effective interest method is a method of calculating the amortised cost of a financial asset or a financial liability and of allocating the interest income or interest expense over the relevant period.

The effective interest rate (EIR) is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument or, when appropriate, a shorter period to the net carrying amount of the financial asset or financial liability. EIR calculation does not include exchange differences.

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are

included in the cost of those assets. Such borrowing costs are capitalised as part of the cost of the asset when it is probable that they will result in future economic benefits to the entity and the costs can be measured reliably. Other borrowing costs are recognised as an expense in the period in which they are incurred.

The capitalisation of borrowing costs as part of the cost of a qualifying asset commences when expenditure for the asset is being incurred, borrowing costs are being incurred and activities that are necessary to prepare the asset for its intended use or sale are in progress.

Capitalisation of borrowing costs is suspended or ceases when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are interrupted or completed.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

(x) Foreign currency transactions

The financial statements are presented in Indian Rupees (INR), the functional currency of the Company. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency').

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions, and from translation of monetary assets and liabilities at the reporting date exchange rates are recognised in the Statement of Profit and Loss.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

Under Previous GAAP, the Company had opted for paragraph 46A of Accounting Standard for 'Effect of Changes in Foreign Exchange Rates' (AS 11) which provided an alternative accounting treatment whereby exchange differences arising on long term foreign currency monetary items relating to depreciable capital asset can be added to or deducted from the cost of the asset and should be depreciated over the balance life of the asset.

Ind AS 101 includes an optional exemption that allows a first-time adopter to continue the above accounting treatment in respect of the long-term foreign currency monetary items recognised in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period as per the previous GAAP. The Company has elected to avail this optional exemption. However, the capitalization of exchange differences is not allowed on any new long term foreign currency monetary item recognized from the first Ind AS financial reporting period.

(xi) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the

Indosolar Limited**Notes to the financial statements for the year ended 31 March 2022****(All amounts in Rupees in lakh, unless otherwise stated)**

arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Finance lease:

Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's policy on borrowing cost. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease:

In respect of assets taken on operating lease, lease rentals are recognized as an expense in the Statement of Profit and Loss on straight line basis over the lease term unless another systematic basis is more representative of the time pattern in which the benefit is derived from the leased asset or the payments to the lessor are structured to increase in the line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(xii) Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition, are accounted for as follows:

- Raw materials, stores and spares: cost includes cost of purchase (viz. the purchase price, import duties and other taxes (other than those subsequently recoverable by the entity from the taxing authorities), and transport, handling and other costs directly attributable to the acquisition and is net of trade discounts, rebates and other similar items) and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.
- Materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

Indosolar Limited**Notes to the financial statements for the year ended 31 March 2022****(All amounts in Rupees in lakh, unless otherwise stated)**

- Spare parts, which do not meet the definition of property, plant and equipment are classified as inventory.
- Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in, first out basis.
- Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Obsolete, slow moving and defective inventories are identified from time to time and, where necessary, a provision is made for such inventories.

(xiii) Employee benefits*Short-term employee benefits:*

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, social security contributions, short term compensated absences (paid annual leaves) etc. are measured on an undiscounted basis at the amounts expected to be paid when the liabilities are settled and are expensed in the period in which the employee renders the related service.

*Post-employment benefits:***i) Defined contribution plan**

The defined contribution plan is postemployment benefit plan under which the Company contributes fixed contribution to a government administered fund and will have no obligation to pay further contribution. The Company's defined contribution plan comprises of Provident Fund, Employee State Insurance Scheme and Labour Welfare Fund. The Company's contribution to defined contribution plans are recognized in the Statement of Profit and Loss in the period in which employee renders the related service.

ii) Defined benefit plan

The Company's obligation towards gratuity liability is funded to an approved gratuity fund, which fully covers the said liability under Cash Accumulation Policy of Life Insurance Corporation of India (LIC). The present value of the defined benefit obligations is determined based on actuarial valuation using the projected unit credit method. The rate used to discount defined benefit obligation is determined by reference to market yields at the Balance Sheet date on Indian Government Bonds for the estimated term of obligations.

The amount recognised as 'Employee benefit expenses' in the Statement of Profit and Loss is the cost of accruing employee benefits promised to employees over the current year and the costs of individual events such as past/future service benefit changes and settlements (such events are recognised immediately in the Statement of Profit and Loss).

The amount of net interest expense calculated by applying the liability discount rate to the net defined benefit liability or asset is charged or credited to 'Finance costs' in the Statement of Profit and Loss.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value of the defined benefit obligation resulting from experience adjustments and effects of changes in actuarial assumptions), the return on plan assets (excluding interest) and the effect of the

asset ceiling (if any, excluding interest) and is recognised immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurements are not reclassified to profit or loss account in subsequent periods.

Other long-term employee benefit obligations:

The liabilities for earned leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss. Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short term employee benefit.

(xiv) Government Grant:

Government grants are recognised only when there is reasonable assurance that the Company will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

Accordingly, government grants:

- a) related to or used for assets are included in the Balance Sheet as deferred income and recognised as income in profit or loss on a systematic basis over the useful life of the assets.
- b) related to an expense item is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

In the unlikely event that a grant previously recognized is ultimately not received, it is treated as a change in estimate and the amount cumulatively recognised is expensed in the Statement of Profit and Loss.

(xv) Corporate Social Responsibility

The Company is not required to spend towards Corporate Social Responsibility (CSR) as per Section 135 of the Companies Act, 2013, since there is no average profit in the last 3 years calculated as per the provisions of the Act.

(xvi) Taxation

Tax expense comprises of current and deferred tax and includes any adjustments related to past periods in current and/or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant period.

Current income tax:

Tax on income for the current period is determined on the basis of taxable income (or on the basis of book profits wherever minimum alternate tax is applicable) and tax credits computed in accordance with the provisions of the Income Tax Act 1961, and based on the expected outcome of assessments/appeals.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income.

Current income tax relating to items recognised, either in other comprehensive income or directly in equity, is also recognized in other comprehensive income or in equity, as appropriate and not in the Statement of Profit and Loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint arrangements, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses & unabsorbed tax depreciation. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint arrangements, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred Tax Assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax assets in the Balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

(xvii) Provisions and contingencies

Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Where the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the income statement net of any reimbursement.

Contingencies:

Contingent liabilities

A contingent liability is:

- a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or
- a present obligation that arises from past events but is not recognized because :
 - it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - the amount of the obligation cannot be measured with sufficient reliability.

Indosolar Limited**Notes to the financial statements for the year ended 31 March 2022****(All amounts in Rupees in lakh, unless otherwise stated)**

Contingent liabilities are not recognized but disclosed unless the contingency is remote.

Contingent assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognized but are disclosed when the inflow of economic benefits is probable. When inflow is virtually certain, an asset is recognized.

(xviii) Segment Reporting

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

The Company is primarily engaged in manufacture of solar cells and modules. The Company's Chief Operating Decision Maker (CODM) is the Managing Director. He evaluates the Company's performance and allocates resources based on analysis of various performance indicators by geographical areas only. Accordingly, there is no operating segment or reportable segment as such.

(xix) Related party

A related party is a person or entity that is related to the reporting entity and it includes:

(a) A person or a close member of that person's family if that person:

(i) has control or joint control over the reporting entity;

(ii) has significant influence over the reporting entity; or

(iii) is a member of the key management personnel of the reporting entity or of a parent of the reporting entity.

(b) An entity is related to the reporting entity if any of the following conditions apply:

(i) The entity and the reporting entity are members of the same Group.

(ii) One entity is an associate or joint venture of the other entity.

(iii) Both entities are joint ventures of the same third party.

(iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.

(v) The entity has a post-employment benefit plan for the benefit of employees of either the reporting entity or an entity related to the reporting entity.

(vi) The entity is controlled or jointly controlled by a person identified in (a).

(vii) A person identified in (a) (i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

(viii) The entity, or any member of a Group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity including:

(a) that person's children, spouse or domestic partner, brother, sister, father and mother;

(b) children of that person's spouse or domestic partner; and

(c) dependants of that person or that person's spouse or domestic partner.

Key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity.

Related party transactions and outstanding balances disclosed in the financial statements are in accordance with the above definition as per Ind AS 24.

(xx) Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short term deposits/investments with an original maturity of three months or less from the date of acquisition, which are subject to an insignificant risk of changes in value. These exclude bank balances (including deposits) held as margin money or security against borrowings, guarantees etc. being not readily available for use by the Company.

For the purpose of the Statement of cash flows, cash and cash equivalents consist of cash and short term deposits and exclude items which are not available for general use as on the date of Balance Sheet, as defined above, net of bank overdrafts which are repayable on demand where they form an integral part of an entity's cash management.

(xxi) Cash Flow Statement

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method as set out in Ind AS 7 'Statement of Cash Flows', adjusting the net profit for the effects of:

- (i) changes during the period in inventories and operating receivables and payables transactions of a non-cash nature;
- (ii) non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and
- (iii) all other items for which the cash effects are investing or financing cash flows.

(xxii) Earnings per share

The Basic Earnings per equity share ('EPS') is computed by dividing the net profit or loss after tax before other comprehensive income for the year attributable to the equity shareholders of the Company by weighted average number of equity shares outstanding during the year. Ordinary shares that will be issued upon the conversion of a mandatorily convertible instrument are included in the calculation of basic earnings per share from the date the contract is entered into. Contingently issuable shares are treated as outstanding and are included in the calculation of basic earnings per share only from the date when all necessary conditions are satisfied (i.e. the events have occurred).

Diluted earnings per equity share are computed by dividing the net profit or loss before OCI attributable to equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares (including options and warrants). The dilutive potential

Indosolar Limited**Notes to the financial statements for the year ended 31 March 2022****(All amounts in Rupees in lakh, unless otherwise stated)**

equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period unless issued at a later date.

Contingently issuable potential ordinary shares (such as contingently issuable convertible instruments) are included in the diluted earnings per share in accordance with Ind AS 33. The Optionally Convertible Cumulative Redeemable Preference shares (OCCRPS) issued by the Company to Union Bank of India under Debt Settlement Agreement where the Bank has a right to convert the preference shares into equity in the event of default are in fact contingent convertible preference shares and the contingent settlement event is Event of default by the Company. As the said event has not happened till the end of the reporting period, exercise or conversion is not assumed for the purpose of calculating diluted earnings per share and accordingly potential ordinary shares are not included in the calculation of diluted earnings per share. Anti-dilutive effects are ignored.

(xxiii) Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Where the events are indicative of conditions that arose after the reporting period, the amounts are not adjusted, but are disclosed if those non-adjusting events are material.

(xxiv) Exceptional Items

An item of Income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and the same is disclosed in the financial statements.

Total	500.73	500.73

a) The Company has not recognised the borrowings as per amortised cost using effective interest rate method prescribed in Ind AS 109 'Financial Instruments'.

b) OTS Facility from Union Bank

During the year 2017-18, the Company received the approval of One Time Settlement ('OTS') Scheme from Union Bank of India ('Bank') vide sanction letter dated 20 October 2017 which were duly approved by the Board of Directors in their meeting held on 20 December 2017.

The OTS proposal contains:

- (a) the waiver of interest till March 2018 which includes interest of INR 20,707.50 recognized in the books of account till September 2017;
- (b) restructuring of loan liability amounting to INR 20,866.44, carrying interest @ 1 year MCLR (presently 8.20%) on monthly basis. MCLR will be rest on annual basis subject to a minimum of 8.20% p.a. and payable in 29 installments commencing from 31 October 2017 and ending on 31 March 2024;
- (c) conversion of part of the loan amounting to INR 20,700.00 into 1% Optionally Convertible Cumulative Redeemable Preference Shares (OCCRPS) which are redeemable in 16 quarterly installments commencing from 30 June 2024 and ending on 31 March 2028.

As per the terms of OTS, if the company does not pay as per stipulations, the OTS proposal will stand cancelled automatically and the bank will take suitable legal steps for recovery of entire dues. The Bank has option to convert OCCRPSS into equity shares, in case of default in the payment of principal sum of the OCCRPSS and coupons on the due date.

During the year 2018-19, the Company defaulted in payment of interest due from 31 July 2018 onwards and installment due from 30 September 2018 onwards. Due to such default, OTS has been revoked vide letter having reference no. IFB:CR:IND:2018-19/2011 dated 12 December 2018.

Consequently, (i) interest waived amounting to INR 17,389.48 lakh upto 31 March 2017 is to be reversed and (ii) interest for the interest free period i.e. April 2017 to March 2018 (amount not ascertained) has become payable, (iii) the bank has also withdrawn other concessions i.e. lower rate of interest charged on outstanding amount for the period from April 2018 onwards etc, (iv) The Union bank of India has included the above stated amount along with interest in claim filed by them before the resolution professional and the same has been admitted by the resolution professional.

c) Refer note 45 and note b above for terms of repayment and rate of interest applicable for borrowings.

34 Corporate insolvency resolution process (CIRP)

The Company incurred significant amount of losses, its current liabilities became in excess of current assets and net worth got eroded. The Company had shut down its production facilities with effects from 15 May 2018. Consequently, majority of employees gradually left the Company. Indosolar Limited is currently undergoing a Corporate Insolvency Resolution Process (CIRP) under the provisions of the Insolvency and Bankruptcy Code, 2016 (Code) pursuant to an order dated April, 12 2019 passed by Hon'ble National Company Law Tribunal, Principal Bench, New Delhi (NCLT) on an application filed by the Corporation bank under Section 7 of the Code read with Rule 4 of the Insolvency and Bankruptcy (Application to Adjudicating Authority) Rules, 2016.

Its affairs, business and assets are being managed by the Resolution Professional (RP). As per the code, the RP has to receive, collate and reconcile all the claims submitted by the creditors of the company. Such claims can be admitted by the RP during the CIRP, till the approval of a resolution plan by the Committee of Creditors. The RP has verified and admitted the claims submitted by the creditors against the company as per the Code.

The summary of claims filled by financial creditor, operational creditors and employees and admitted by resolution professional as at 31 March 2022 are as follows:

Particulars	Details	Amount
Financial creditors		
Bank of Baroda	25,918.78

Operational creditors		4,712.08
Employees		261.90
Total		2,18,765.47

The Company has not provided any liability towards interest, penal interest charges and any foreign currency fluctuation on claims by financial creditors and operational creditors with effect from the Insolvency Commencement Date.

The Company has not considered the impact of excess, short or non-receipts of claims for financial creditors, operational creditors and employees in the financial statements since the resolution plan is pending approval on the reporting date.

Subsequent to the year-end, on April 21, 2022, the NCLT has approved the terms of the Resolution Plan submitted by Waaree Energies Limited ("Waaree"), which provides, inter alia, the acquisition of the Company by Waaree. The Board of Directors of the Company has been reconstituted on May 18, 2022 with nominees of Waaree being inducted as member of the Board.

The approval of the Resolution Plan subsequent to 31 March 2022 has been considered as a non-adjusting event for the purpose of financial statements for the year ended 31 March 2022. Pursuant to such approval of the Resolution Plan, the financial statements for the year ended 31 March 2022 have been prepared on a going concern basis. As required by Ind AS 10, 'Events after Balance Sheet date', the possible financial effects of this non-adjusting event are as follows:

42 Financial instruments

a) Financial instruments by category

The Company carries all its financial instruments at amortised cost.

b) Fair value of financial assets and liabilities measured at amortised cost

The Company considers the carrying amount of its financial instruments to be the same as their fair values due to their short-term nature and ongoing corporate insolvency resolution process.

c) Financial risk management

The Company's principal financial liabilities comprise borrowings, trade payables and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade & other receivables, and cash and short-term deposits that derive directly from its operations.

The Company is exposed to the following risks from its use of financial instruments:

- Credit risk
- Market risk
- Liquidity risk

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk.

Indosolar Limited

Notes to the financial statements for the year ended 31 March 2022

(All amounts in Rupees in lakh, unless otherwise stated)

42 Financial instruments (continued)

(i) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. Credit risk arises principally from trade receivables, cash & cash equivalents, deposits with banks and security deposits. The carrying amounts of financial assets represents the maximum credit risk exposure.

The Company held cash and cash equivalents and deposits with bank of INR 542.18 (31 March 2021: INR 515.54). The balances are held with banks with high rating.

The Company recognises impairment loss allowance on trade receivables using lifetime ECL approach which is based on the business environment in which the company operates. The Company has recognised provision for loss allowance on its trade receivables amounting to INR 369.12 (31 March 2021: 354.86) as at reporting date.

The Company has written off security deposits of INR 11.48 (31 March 2021: INR Nil).

(ii) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect the Company's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The Company has not provided any liability towards interest, penal interest charges and any foreign currency fluctuation on claims by financial creditors for the period with effect from the Insolvency Commencement Date, refer note 34.

Accordingly, the Company is not subject to interest rate risk or currency risk.

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments is as follows:

Particulars	As at 31 March 2022	As at 31 March 2021
Secured term loan from Banks	65,748.17	65,691.38
Preference shares (refer note b below)	13,027.11	13,027.11
Unsecured loan from related party	500.73	500.73
Lease liabilities	92.22	92.22

(iii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The company is under Corporate Insolvency Resolution Process (CIRP) due to default in repayment of borrowings, refer note 34.

43 Use of estimates and judgements

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, historical experience and other factors, including expectations of future events that are believed to be reasonable, actual results could differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

a) Significant Judgements in applying accounting policies

The judgements, apart from those involving estimations (see note below), that the Company has made in the process of applying its accounting policies and that have a significant effect on the amounts recognized in these financial statements pertain to:

Indosolar Limited

(All amounts in Rupees in lakh, unless otherwise stated)

43 Use of estimates and judgements (continued)

(i) Going concern

The Company has continued to incur significant losses in the current year resulting in erosion of its net worth. The Company has a negative net worth amounting to INR 1,12,009.44 as on 31 March 2022 (31 March 2021: INR 99,777.65) and Company's current liabilities exceeds the current assets by INR 122,289.44 as on 31 March 2022 (31 March 2021: INR 121,543.25). The Company's payables to various lender banks have been classified as non-performing assets by respective banks.

The company is under CIRP under Insolvency and Bankruptcy Code. Subsequent to the year-end, on 21 April 2022, the NCLT has approved the terms of the Resolution Plan submitted by Waaree Energies Limited ("Waaree"), which provides, inter alia, the acquisition of the Company by Waaree. Pursuant to such approval of the Resolution Plan, the financial statements for the year ended 31 March 2022 have been prepared on a going concern basis.

(ii) Compound financial instruments

As part of the Debt Settlement Agreement pursuant to One time Settlement (OTS) with Union Bank of India ('Bank'), the Company has issued 1% Optionally Convertible Cumulative Redeemable Preference Shares (OCCRPS) which are redeemable in 16 quarterly installments commencing from 30.06.2024 and ending on 31.03.2028 in lieu of the conversion of part of the loan amounting to Rs. 20,700.00. In case of an event of default by the Company in timely repayment/redemption as defined in the said Agreement and the Company's failure to remedy/correct the default within 60 days of default, the Bank has a right to convert the preference shares into equity at a Conversion Price, being higher of par value and market value of the equity share in accordance with SEBI formula.

The OCCRPS is considered a contingent convertible preference shares which means it is an instrument that is convertible, at the option of the holder, only on the occurrence of a contingent event outside of the control of the holder or the issuer. If the contingent event occurs then the holder has the option, but not the obligation, to convert. If the contingent event does not occur, then the instrument will be settled in cash at maturity/due dates.

If a contingent settlement provision is regarded as outside the control of the issuing entity, the instrument is classified as a liability by the issuer. If a contingent settlement provision is regarded as within the control of the reporting entity, the instrument will be classified as equity, provided that it has no other features requiring its classification as a liability and that the contingent settlement event is also outside the control of the holder.

In the aforesaid case, the contingent settlement event is Event of default by the Company which is not within the issuer's (the Company's) control and the exercise of the conversion option would result in the exchange of a variable number of the issuer's own equity instruments.

The Company, the issuer of the instrument does not have the unconditional right to avoid delivering cash or another financial asset (or otherwise to settle it in such a way that it would be a financial liability). Accordingly, the management has concluded that it is a financial liability of the Company.

During the year 2018-19, the Company has defaulted in payment of interest due from 31.07.2018 onwards and installment due from 30th September 2018 and onwards. Due to such default, OTS has been revoked vide letter having reference no. IFB:CR:IND:2018-19/2011 dated 12.12.2018. Now since the company is under CIRP, the consolidated final claim of bank has been submitted as per The IBC Act, 2016 to the RP.

(iii) Eligibility of capital subsidy

The company is eligible for capital subsidy under SIP scheme of Govt. Of India. Department of Electronics & Information Technology (DEIT) has initiated the process of appraisal of the company. In the absence of reasonable assurance, pending appraisal, the claim has not been recognized. The Resolution Professional has also filed an application before Hon'ble NCLT for early release of capital subsidy vide its application dated 2 January 2020 having diary number 0710102000292020.

As per Ind AS 20, 'Accounting for Government Grants and Disclosure of Government Assistance', government grants, including non-monetary grants at fair value, shall not be recognized until there is reasonable assurance that the entity will comply with the conditions attaching to them; and the grants will be received.

As the appraisal of subsidy claim is still pending, the management, in the absence of the reasonable assurance, has not recognized the claim for capital subsidy.

43 Use of estimates and judgements (continued)

(iv) Leasehold land

The Company has entered into an arrangement for lease of land from government entity. Significant judgement is involved in assessing whether such arrangement is in the nature of finance or operating lease. In making such an assessment, the Company considers various factors which includes whether the present value of minimum lease payments amount to at least substantially all of the fair value of lease assets, renewal terms, purchase option, sub-lease options etc. Based on evaluation of above factors, lease is evaluated for the purpose of treating in the nature of finance lease.

b) Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

(i) Export Obligations/ Net Foreign Exchange Earning(NFE)

Being an Export Oriented Unit, the Company needs to achieve positive NFE during a period of 10 years from the start of commercial production. Till date the Company has spent INR 192,409.58 in foreign currency for raw material consumption, stores & spares and expenses in foreign currency including amortization of all imported plant and machinery and the Company has earned foreign currency equivalent to INR 210,102.81 as per para 6.9(f) of FTP resulting into positive NFE of INR 17,693.23 as at 31 March 2022 (31 March 2021: INR 17,693.23) without considering amortization of imported Plant and machinery pending installation /commissioning (disclosed as CWIP). In case the Company also amortizes value of Line-C till date (commercial production is yet to start) the Company's NFE will become negative to the extent INR 31,213.21 (31 March 2021: INR 26,336.73).

(ii) Impairment of property plant and equipment including under installation

At the end of each reporting period, the Company reviews the carrying amounts of its property, plant and equipment to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs to sell and value in use. Value in use is usually determined on the basis of discounted estimated future cash flows. This involves management estimates on anticipated commodity prices, market demand and supply, economic and regulatory environment, discount rates and other factors. Any subsequent changes to cash flow due to changes in the above mentioned factors could impact the carrying value of assets.

The Company has recognised an impairment loss of INR 10,747.88 as per the valuation of fixed assets carried out by RP for the purpose of preparation of Information Memorandum as per the regulations of IBBI.

(iii) Fair value measurements of financial instruments

In estimating the fair value of a financial asset or a financial liability, the Company uses market-observable data to the extent it is available. Where active market quotes are not available, the management applies valuation techniques to determine the fair value of financial instruments. This involves developing estimates, assumptions and judgements consistent with how market participants would price the instrument.

(iv) Claims, provisions and contingent liabilities

The Company has ongoing litigations with regulatory authorities and third parties. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty. These estimates could change substantially over time as new facts emerge and each dispute progresses. Information about such litigations is provided in notes to the financial statements.

Indosolar Limited

Notes to the financial statements for the year ended 31 March 2022

(All amounts in Rupees in lakh, unless otherwise stated)

(v) Deferred tax

In assessing the reliability of deferred tax assets the management of the Company estimates whether the Company will earn sufficient taxable profit in future periods. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible.

The Company did not recognise deferred tax assets in respect of tax losses carryforwards, unabsorbed tax depreciation carry forwards, provision and allowances and other timing differences as the future profit streams were not probable.

Unabsorbed tax depreciation can be claimed for an infinite period and the business losses can be carried forward for a period of 8 years as per tax regulations.

(vi) Useful lives of property, plant and equipment and intangible assets

The management determines and also reviews the estimated useful lives of property, plant and equipment and intangible assets at the end of each reporting period. Such useful lives are dependent upon an assessment of both the technical life of the assets and also their likely economic life, based on various internal and external factors including relative efficiency and operating costs. Accordingly, depreciable lives are reviewed annually using the best information available to the management.

Indosolar Limited

Notes to the financial statements for the year ended 31 March 2022

(All amounts in Rupees in lakh, unless otherwise stated)

45 Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23 March 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below:

a) **Ind AS 16 – Property, Plant and equipment:**

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant and equipment. The effective date for adoption of this amendment is annual periods beginning on or after 1 April 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

b) **Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets:**

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after 1 April 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

c) **Ind AS 109 – Annual Improvements to Ind AS (2021):**

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company has evaluated the amendment and there is no impact on its financial statements.

There are certain other amendments which are not expected to have any impact on the financial statements of the Company.

46 Events after balance sheet date

Subsequent to the year-end, on 21 April 2022, the NCLT has approved the terms of the Resolution Plan submitted by Waaree Energies Limited ("Waaree"), which provides, inter alia, the acquisition of the Company by Waaree. The approval of the Resolution Plan subsequent to 31 March 2022 has been considered as a non-adjusting event for the purpose of financial statements for the year ended 31 March 2022. Pursuant to such approval of the Resolution Plan, the financial statements for the year ended 31 March 2022 have been prepared on a going concern basis.

2. OPERATIONS & STATE OF COMPANY'S AFFAIRS

A corporate insolvency resolution process (CIRP) was initiated by financial creditors against the Company under the Insolvency and Bankruptcy Code 2016 before Hon'ble National Company Law Tribunal (NCLT), New Delhi. During CIRP, the applicant i.e. Waaree Energies Limited, on January 06, 2020, submitted its resolution plan for corporate restructuring of the Indosolar Limited. The Hon'ble NCLT approved the said resolution plan on April 21, 2022.

Subsequent to the approval of resolution plan, the Company filed applications with BSE and NSE (Stock Exchanges) for recommencement of trading/listing of the Company in the month of July 2022. The resolution plan, inter alia, provides for reduction of capital of existing shareholders to the extent of 99% of issued and paid-up capital of the Company which makes Public Shareholding equivalent to 3.85%. Further in terms of the resolution plan Waaree Energies Limited was issued and allotted further shares in the Company amounting to 96.15%. The Company had allotted shares to Waaree Energies Limited however such allotment of shares was not reflected in the demat account of Waaree Energies Limited pending the corporate actions which is again due to pendency of relisting applications with the Stock Exchanges. However, due to certain regulatory aspects dealing with minimum public shareholding for listed companies in CIRP process, the said recommencement of trading/listing applications could not be approved by the Stock Exchanges. Pending such applications, the Company could not call for general meeting of shareholders as it was not in position to ascertain its shareholders as on respective dates due to pendency of corporate actions about reduction of capital of public shareholders and allotment of shares to Waaree Energies Limited. Also, the e-voting facility required by applicable laws could not be made available to shareholders for voting and same could be made available only upon completion of corporate actions.

During the year under review, the Company paid the financial creditors as per approved resolution plan.

During the year under review the Company proposed setting up 1GW of solar PV module manufacturing facility at the existing premises of the Company at Noida. The Company decided to optimize the use of existing resources

to the extent possible for such module manufacturing line and the facility could be set up shortest possible time, technically feasible and low in capex. The management expected that such setting up of facility will assist the Company to recommence its business as soon as possible and same is in the interest of all the stakeholders.

Waaree Energies Limited, promoter of the Company infused/infusing required amount of capital required for setting up of solar PV module manufacturing facility.

3. **DIVIDEND AND RESERVES**

The Board has not declared any dividend for the Financial Year 2022 - 2023. The Company does not propose to transfer any amount to reserves.

4. **SHARE CAPITAL**

Prior to the CIRP and up to the date of the order of Hon'ble NCLT New Dehi April 21, 2022, the Authorized Share Capital of the Company was INR 1000,00,00,000/- (Rupees One Thousand Crores) divided into 50,00,00,00,000 (Fifty Crores) Equity Shares of Rs. 10/-(Rupees Ten) each and 50,00,00,00,000 (Fifty Crores) Preference Shares of Rs. 10/-(Rupees Ten) each.

After the passing of NCLT order dated April 21, 2022, Waaree Energies Limited was allotted 4,00,00,000 equity shares of Rs. 10 each in terms of the resolution plan. After such infusion of capital the shareholding pattern stood as follows:

SHAREHOLDING OF INDOSOLAR AFTER INFUSION OF RS. 40.00 Crores IN THE FORM OF EQUITY BY Resolution Applicant			
	Number of Shares	Amount of Shares	%age
Waaree Energies Limited Resolution Applicant (together with its nominees)	4,00,00,000	40,00,00,000	96.15%
Public	16,03,691	1,60,36,910	3.85%
Preference Shares	-	-	-
Total	4,16,03,691	41,60,36,910	100.00%
Face Value		Rs. 10 Per Share	

However corporate actions were pending due to the pendency of relisting approval from stock exchanges to give effect to the above shareholding changes.

At the end of the Financial Year 2023 the capital of the Company is as follows:

1. Total Authorized Capital: INR 1000,00,00,000/- (Equity INR 500,00,00,000/- and Preference INR 500,00,00,000/-)

Pursuant to the provisions of the Act and in accordance with the guidance note issued by SEBI, the Board of Directors has carried out an annual performance evaluation of its own performance, Board Committees and individual Directors at their meeting held on May 28, 2023

The Chairman of the Company interacted with each Director individually, for evaluation of performance of the individual Directors. The evaluation of the performance of the Board as a whole and individual and of the Committees was conducted by way of questionnaires.

In a separate meeting of Independent Directors held on March 30, 2023, performance of Non-Independent Directors and performance of the Board as a whole was evaluated. Further, they also evaluated the performance of the Chairman of the Company, considering the views of the Executive Directors and Non-Executive Directors.

The performance of the Board was evaluated by the Board of Directors after seeking inputs from all the Directors on the basis of various criteria such as structure and diversity of the Board, competency of Directors, experience of Director, strategy and performance, secretarial support, evaluation of risk, evaluation of performance of the management and feedback, independence of the management from the Board etc.

The performance of the Committees was evaluated by the Board on the basis of criteria such as committee charters and composition, effectiveness of the committee, structure of the committee and meetings, independence of the committee from the Board and contribution to decisions of the Board.

The performance of the Independent Directors was evaluated by the Board on the basis of criteria such as effective deployment of Knowledge and expertise, maintenance of confidentiality and Independence of behavior and judgement.

The Nomination and Remuneration Committee reviewed the performance of the individual Directors on the basis of the criteria such as qualification, experience, knowledge and competency, fulfillment of functions, availability and attendance, initiative, integrity, contribution and commitment etc., and the Independent Directors were additionally evaluated on the basis of independence, independent views and judgment etc.

The performance of the Individual Directors was evaluated by the Board on the basis of criteria such as ethical standards, governance skills, professional obligations, personal attributes etc.

Further the evaluation of Chairman of the Board, in addition to the above criteria for individual Directors, also included evaluation based on effectiveness of leadership and ability to steer the meetings, impartiality, etc.

The Chairman and other members of the Board discussed upon the performance evaluation of every Director of the Company and concluded that they were satisfied with the overall performance of the Directors individually and that the Directors generally met their expectations of performance.

The summary of the feedback from the members were thereafter discussed in detail by the members. The respective Director, who was being evaluated, did not participate in the discussion on his/her performance evaluation.

CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members
Indosolar Limited
C-12 Friends Colony (East) New Delhi, 110065

We have examined the compliance of conditions of Corporate Governance of **Indosolar Limited** for the year ended on March 31, 2023 as stipulated in Regulations 17 to 27 and clauses (b) to (i) and (t) of Regulation 46 (2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as “**SEBI Listing Regulations**”).

Management’s Responsibility for compliance with the conditions of SEBI Listing Regulations

The compliance with the conditions of Corporate Governance is the responsibility of the management of the Company, including the preparation and maintenance of all relevant supporting records and documents. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in SEBI Listing Regulations

Our Responsibility

1. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company
2. We have examined the relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on compliance with the Corporate Governance requirements by the Company.
3. We have conducted our examination in accordance with the Guidance Note on Corporate Governance Certificate and the Guidance Manual on Quality of Audit & Attestation Services issued by the Institute of Company Secretaries of India (“ICSI”).

Opinion

1. [#]In our opinion and to the best of our information and according to the explanations given to us, and the representation made by the directors and the management, we hereby certify that due to the pendency of the relisting application with stock exchanges, to the extent possible, the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned SEBI Listing Regulations.
2. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

[#] Insolvency proceedings against the Company was initiated by the Lenders/Financial Institutions in October, 2018 and the application for Corporate Insolvency Proceedings (CIRP) against the Company was admitted by the Hon’ble National Company Law Tribunal (NCLT), New Delhi bench vide its order dated April 12, 2019 (CIRP Commencement Date). Further the Hon’ble National Company Law Tribunal, New Delhi Bench on April 21, 2022 approved the Resolution Plan submitted by Waaree Energies Limited (“Resolution Applicant”) in respect of Indosolar Limited (“Company”).

Post approval of resolution plan, the Company filed applications with BSE and NSE (Stock Exchanges) for recommencement of trading/listing of the Company in the month of July 2022. The approved resolution plan provides for reduction of capital of existing shareholders to the extent of 99% of issued and paid-up capital of the Company which makes Public Shareholding equivalent to 3.85%. Further Waaree is issued and allotted further shares in the Company amounting to 96.15%. The Company had allotted shares to Waaree Energies Limited however such allotment of shares was not reflected in the Demat account of Waaree Energies Limited pending the corporate actions due to pendency of relisting applications. However, due to certain regulatory aspects dealing with minimum public shareholding for companies in CIRP process, the said listing recommencement of trading/listing applications could not be approved by the Stock Exchanges. Pending such

During the period under review and subject to the explanations given to us and the representations made by the Management, the Company has generally complied with all the provisions of the Act, Rules, Regulations, Guidelines of Companies Act, 2013 and Secretarial Standards.

Upon the application of financial creditors, a Corporate Insolvency Resolution Process ("CIRP") of the Company was initiated vide order of Hon'ble National Company Law Tribunal, New Delhi, dated April 12, 2019. During the CIRP process, Waaree Energies Limited ("Waaree"), submitted a resolution plan for acquisition of Indosolar Limited. Such Resolution Plan was subsequently approved by Committee of Creditors on February 14, 2020. Subsequent thereto, the Hon'ble National Company Law Tribunal, New Delhi, approved the resolution plan filed by Waaree Energies on April 21, 2022. As per the resolution plan, the current management took over the management of affairs of the Company from Resolution Professional by end of May 2022. However, due to the fact that the Company was under CIRP, no records were available with the new management as regards various aspects of the Company. The Company is in the process of implementation of the Resolution Plan and have undertaken activities of compliance to the various applicable provisions of the laws. The Company has purchased the SDD compliance software in Month of May 2023 and in process of the updation of all entries in the Software.

The recommencement application is pending with the stock exchanges, and the company was not in position to file the statement under the various applicable provisions of the SEBI (LODR) Regulations 2015, until:

- (1) the shareholding pattern reflects the correct shareholders as per resolution plan, and
- (2) the reduced capital is reflected in the records of stock exchanges and depositories.

The Company post its meeting with the NSE held at office of NSE on November 29, 2022 filed the statements as advised in the said meeting.

Due to above reason, there was:

1. *No Annual General Meeting for the year ended 2022 conducted during audit period.*
2. *No generation of Annual Report for the year ended 2022 conducted during audit period.*
3. *No Annual filing for the year ended 2022 conducted during audit period.*
4. *No Auditing for the year ended 2022 conducted during audit period.*
5. *Noncompliance in filing DPT-3 during the audit period*
6. *There was non-compliance with Regulation 13,14,27,31,33,34, of SEBI LODR, and Regulation 76 of the SEBI (Depositories and Participants) Regulations, 2018 conducted during audit period.*

We, further report that

1. The Composition of Board of Directors of the Company is duly constituted including Committees. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. *The directors were not regularised in the AGM for the year ended 2022 conducted during audit period.*

Board decisions are carried out with the assenting views of the Directors.

We, further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the above events occurred which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines etc.

This Report is to be read with our letter of even date which is annexed as Annexure A and forms an integral part of this report.

ANNEXURE-C 2022-23
MANAGEMENT DISCUSSION & ANALYSIS REPORT FOR THE YEAR ENDED
MARCH 31, 2023

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW

Insolvency proceedings against the Company were initiated by the Lenders/Financial Institutions in October, 2018 and the application for Corporate Insolvency Proceedings (CIRP) against the Company was admitted by the Hon'ble National Company Law Tribunal (NCLT), New Delhi bench vide its order dated 12th April, 2019 (CIRP Commencement Date).

Pursuant to the initiation of CIRP, appointment of Resolution Professional was made to carry the functions as mentioned under the Code. During the continuation of Corporate Insolvency Resolution Process (CIRP) the powers of the erstwhile Board of Directors of the Company stand suspended effective from the CIRP Commencement date and such powers along with the management of affairs of the Company are vested with the Resolution Professional. Upon approval of Resolution Plan by Hon'ble NCLT on April 21, 2022, the erstwhile board of directors deemed to have resigned effective from Effective Date.

As disclosed in the Boards' Report the Company is yet to commence operations and is proposing to set up module manufacturing line at its premises at Noida. Therefore, for the period under review the management does not have any views on the operations of the Company. The management discussions as contained in this report are purely based on the proposed business plans of the Company taking into account the module manufacturing facility to be set up at Noida.

INDUSTRY STRUCTURE AND DEVELOPMENTS

India is advancing towards self-reliance in solar cell and module manufacturing, with import reductions and domestic capacity expansion by various companies. Despite dependencies on imports for photovoltaic cells and wafers, Indian manufacturers are increasingly exporting solar modules. Government initiatives like the Production-Linked Incentive scheme are boosting local production. Several factors, including the expansion of domestic manufacturing capacity and the government's proactive measures, have over the past years contributed to a positive change in India's overall solar landscape.

Management expects the aforesaid measures will support the Company to grow in the solar modules space.

COMPANY STRUCTURE AND DEVELOPMENTS

The Hon'ble National Company Law Tribunal, New Delhi Bench on April 21, 2022 approved the Resolution Plan submitted by Waaree Energies Limited ("Resolution Applicant") in respect of Indosolar Limited ("Company"). the Company is implementing the resolution plan.

The Company filed applications with BSE and NSE (Stock Exchanges) for recommencement of trading/listing of the Company in the month of July 2022. The approved resolution plan provides for reduction of capital of existing shareholders to the extent of 99% of issued and paid-up capital of the Company which makes Public Shareholding equivalent to 3.85%. Further Waaree is issued and allotted further shares in the Company amounting to 96.15%. The Company had allotted shares to Waaree Energies Limited however such allotment of shares was not reflected in the Demat account of Waaree Energies Limited pending the corporate actions due to pendency of relisting applications. However, due to certain regulatory aspects dealing with minimum public shareholding for companies in CIRP process, the said listing recommencement of trading/listing applications could not be approved by the Stock Exchanges. Pending such applications, the Company could not call for general meeting of shareholders as it was not in position to ascertain its shareholders as on date due to pendency of corporate actions about reduction of capital of public shareholders and allotment of shares to Waaree Energies Limited. Also, the e-voting facility required by applicable laws could not be made available to shareholders for voting only upon completion of corporate actions. As on date of this report the Stock Exchanges have conditionally approved the listing applications and the Company has completed the corporate actions.

INDEPENDENT AUDITOR'S REPORT

To the Members of Indosolar Limited.

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the Ind AS financial statements of Indosolar Limited ("the Company"), which comprise the balance sheet as at 31st March 2023, and the statement of Profit and Loss (Including Other Comprehensive Income), statement of cash flows and statement of changes in equity for the year ended 31st March 2023, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, and Profit (Financial performance including other comprehensive income), its cash flows and changes in equity for the year ended 31st March 2023.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matters

1. The financial statement of the Company for the year ended 31st March, 2022 were audited by another auditor, who expressed an disclaimer opinion on 5th September, 2022. During the year the company has complied with the points stated in the disclaimer of Opinion which has been verified by us.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit matters

Auditor's Response

1) Corporate Insolvency Resolution Plan

The financial statements for the details regarding the impact of the resolution plan in the company pursuant to the corporate insolvency resolution process under Insolvency and Bankruptcy Code, 2016. On April 21, 2022, the date of approval of the corporate insolvency resolution ("CIR") process, the Company had outstanding credit facilities from several financial institutions, aggregating to Rs.1,13,344.43 Lakhs as per books of accounts. The Company also had accrued dues amounting to Rs. 8,766.41 Lakhs towards operational creditors. Owing to the size of the over-due credit facilities, multiplicity of contractual arrangements and large number of operational creditors, determination of the carrying amount of related liabilities at the date of commencement of the corporate insolvency resolution ("CIR") process was a complex exercise. Further, comprehending the provisions of the Resolution Plan and determining the appropriateness of the accounting treatment thereof, more particularly the accounting treatment of derecognition of liabilities and outstanding trading dues & its related provisions, required significant judgment and estimates, including consideration of accounting principles to be applied for presentation.

We have performed the following procedures to determine whether the effect of Resolution Plan has been appropriately recognised in the financial statements:

- * Reviewed management's process for review and commencement of implementation of the Resolution Plan.

- * Reviewed the provisions of the Resolution Plan to understand the requirements of the said Plan and evaluated the possible impact of the same on the financial statements.

- * Verified the balances of liabilities as on the date of commencement of the corporate insolvency resolution ("CIR") process from supporting documents and computations on a test check basis.

- * Tested the implementation of provisions of the Resolution Plan in computation of balances of liabilities owed to financial and operational creditors.

- * Evaluated whether the accounting principles applied by the management fairly present the effects of the Resolution Plan in financial statements in accordance with the principles of Ind AS.

- * Tested the related disclosures made in notes to the financial statements in respect of the implementation of the resolution plan.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
3. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
4. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2 As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to adequacy of the internal financial control over financial reporting of the company and the operating effectiveness of such controls refer our separate report in Annexure B" and
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

SGCO & Co. LLP

Chartered Accountants

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement

- (v) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023

- 3 Since The Company has not declared / paid any dividend during the year, Section 123 of the Act is not applicable.

Annexure "B" to the Independent Auditor's Report of even date on the Financial Statements of Indosolar Limited for the year ended 31st March 2023.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of Indosolar Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating

effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Pursuant to its order dated 21st April, 2019 ("NCLT Order"), the Adjudicating Authority approved the resolution plan ("Approved Resolution Plan") submitted by Waaree Energies Limited, ("Resolution Applicants") ("RAs") for the Company under Section 30(6) and 31 of the Insolvency and Bankruptcy Code, 2016 ("Code"). As per the terms of Section 30(6) and 31 of the Code, the Approved Resolution Plan shall be binding on the Company, its employees, members, creditors, guarantors and other stakeholders involved in the Resolution Plan.

Pursuant to the Approved Resolution Plan, during the period between the NCLT Approval Date (as defined in the Approved Resolution Plan) and the Closing Date (as defined in the Approved Resolution Plan) ("Interim Period"), a monitoring committee shall be constituted ("Monitoring Committee") which during the period following the CCI Approval Date and until the Closing Date (as defined in the Approved Resolution Plan), shall comprise of 1 (One) representatives of the Financial Creditors, 1 (One) representatives of the Resolution Applicants and the Qualified Resolution Professional. Thus, for the period between the NCLT Approval Date (as defined in the Approved Resolution Plan) and the Closing Date (as defined in the Approved Resolution Plan), the Monitoring Committee has accordingly been formed to maintain the Company as a going concern and to supervise the implementation of the Approved Resolution Plan.

The approved resolution plan has commenced the accounts prepared on 'going concern' basis

Note 3 Significant Accounting Policies

i Basis of Preparation

The financial statements of the Company have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under the Companies (Accounting Standards) Rules, 2015.

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

All the assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance set out in Schedule III to the Act. Based on nature of services, the Company ascertained its operating cycle as 12 months for the purpose of current and non-current classification of asset and liabilities.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

ii Accounting Estimates

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

iv Depreciation/ Amortisation

a) Depreciation on Property, Plant and Equipment has been provided on a pro-rata basis on the straight-line method over the estimated useful lives of the assets which are in agreement with the rates prescribed under schedule II to the Companies Act 2013, except for the category of assets mentioned in Table B in order to reflect the actual usage of the asset.

b) Intangible assets consisting of softwares, licenses and Dossier/ Marketing Rights are amortised over their useful life.

Indosolar Limited
Accompanying notes to the standalone financial statement for the year ended 31 March 2023

Sr.No.	Asset category	Useful Life in Years
1	Plant & Machinery	25 years
3	Computer	3 years
4	Office Equipments	5 years
5	Furniture	10 years
6	Electrical Installation	10 years
7	Factory Building	30 Years
8	Non Factory Building	60 Years
9	Server	6 years
10	Vehicles	8-10 years

The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of property plant and equipment (as mentioned above) over estimated useful lives which are different from the useful lives prescribed under Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

vi Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets

Initial Recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVTPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

c) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial Liabilities**1) Initial Recognition**

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Indosolar Limited

Accompanying notes to the standalone financial statement for the year ended 31 March 2023

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

3) De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

d) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

vii Employee Benefits

a Defined Contribution Plan

Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

b Defined Benefit Plan

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

c Leave entitlement and compensated absences

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur.

d Short-term Benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

e Termination benefits

Termination benefits are recognised as an expense as and when incurred.

viii Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand, which are subject to an insignificant risk of changes in value.

ix Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

x Foreign Exchange Translation and Accounting of Foreign Exchange Transaction**a Initial Recognition**

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. However, for practical reasons, the Company uses a monthly average rate if the average rate approximate the actual rate at the date of the transactions.

b Conversion

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss except those arising from investment in Non Integral operations.

xi Revenue Recognition**a) Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.**

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

b) Revenue from sales of goods is recognized net of rebates and discounts on transfer of significant risks and rewards of ownership to the buyer. Sales of goods are recognized gross of excise duty but net of Sales Tax and Value Added Tax. From July '17 onwards, Sales are considered net of Goods and Services Tax.**c) Interest is recognised on a time proportion basis taking in to account the amount outstanding and the rate applicable.****d) Dividend income is recognised when right to receive the same is established.****xii Income Tax**

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a Current Income Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b Deferred Income Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period.

xiii Impairment of Non-Financial Assets

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

xiv Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

xv Trade payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

xvi Inventories

Inventories are valued as follows:

- Finished Goods are valued at lower of cost or net realisable value.
- Raw Material are valued at lower of cost or net realisable value.
- Packing Materials are valued at cost or net realisable value.
- Work in process is valued at lower of cost or net realisable value.
- Stock in trade is valued at a lower of cost or net realizable value.

Cost is arrived at on weighted average cost method.

xvii Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

xviii Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

xix Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

xx Rounding of amounts

All amounts disclosed in the financials statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III.

Note 36 :Segment Reporting as required under Indian Accounting Standard 108, "Operating Segments" :

The Company is primarily engaged in manufacturing of solar cells and modules which is considered as the only reportable business segment. The Company's Chief Operating Decision Maker (CODM) is the Resolution Professional as the Company is under CIRP. The CODM evaluates the Company's performance and allocates resources based on analysis of various performance indicators.

Since, the Company is under CIRP, the Company has not carried out any operations during the year and does not have any revenue from operations. All non-current assets of the Company are located in India.

Note 37 : Leases

Effective April 1, 2019, the company has adopted Ind AS 116, Leases, using modified retrospective approach. On adoption of the new standard IND AS 116 resulted in recognition of 'right of use' assets and a lease liability. The cumulative effect of applying the standard, has been debited to retained earnings. The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 will result in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

Note 38 : Financial instruments – fair values and risk management

A. Accounting classification and fair value

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:
Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

Particulars	As at March 31, 2023	As at March 31, 2022
Financial Assets at amortised cost		
Trade Receivables	-	-
Other Financial Assets	112.43	112.23
Cash and Cash Equivalents	85.93	24.82
Bank Balances other than Cash and Cash Equivalents	339.13	427.86
	537.50	564.91
Financial liabilities		
Borrowings *	6,030.66	82,834.28
Other financial liabilities	89.72	31,213.18
Lease Liability	274.21	92.22
Trade payables	20.82	8,606.58
	6,415.41	1,22,746.26

* includes current maturities of long term borrowings

The fair value of the financial assets & liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The management assessed that fair value of cash and cash equivalents, trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

B. Financial Risk Management

B.i. Risk management framework

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the company's operational and financial performance.

B.ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the group grants credit terms in the normal course of business.

The Company measures the expected credit loss of trade receivables based on historical trend, industry practices and the business environment in which the entity operates. The Group uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors such as credit ratings from credit rating agencies, financial condition, ageing of accounts receivable and the group's historical experience for customers.

Ageing of accounts receivables :

Particulars	As at March 31, 2023	As at March 31, 2022
0 - 6 months	-	-
6 - 12 months	-	-
Beyond 12 months	-	369.12
Total	-	369.12

Financial assets are considered to be of good quality and there is no significant increase in credit risk

The movement of the allowance for lifetime expected credit loss is stated below:

Particulars	As at March 31, 2023	As at March 31, 2022
Opening allowance	-	-
Add : additional allowance made	-	-
Less : allowance reversed	-	-

B.iii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Liquidity risk is managed by Company through effective fund management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and other borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and

B.iv. Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

Note 38 : Financial Instruments – Fair values and risk management (continued)

B.iv.a Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.

Exposure to interest rate risk

Company's interest rate risk arises primarily from borrowings. The interest rate profile of the Company's interest-bearing financial instruments is as follows.

Particulars	As at March 31, 2023
Variable rate borrowings	-
Fixed rate borrowings	2,173.46
Total Borrowings	2,173.46

Cash flow sensitivity analysis for variable-rate instruments

The sensitivity analysis below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting year and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in the case of instruments that have floating rates. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates :

Cash flow sensitivity (net)	Profit or loss	
INR	50 bp increase	50 bp decrease
As at March 31, 2023		
Variable-rate loan instruments	-	-
Cash flow sensitivity (net)	-	-

B.iv.b Other price risk

The Company invests its surplus funds in various Equity and debt instruments . These comprise of mainly liquid schemes of mutual funds (liquid investments), Equity shares, Debentures and fixed deposits. This investments are susceptible to market price risk, mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However due to the very short tenor of the underlying portfolio in the liquid schemes, these do not pose any significant price risk.

Note 39 : Capital Management

The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to its shareholders. Management monitors the return on capital as well as the debt equity ratio and make necessary adjustments in the capital structure for the development of the business. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day - to - day needs. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

Board's Report

To,
The Members,
Indosolar Limited

The Board of Directors present herewith the 3rd (Third) Board's Report post CIRP of Indosolar Limited ("the Company") on the business, operations and state of affairs of the Company together with the Audited Annual Financial Statements for the Financial Year ended on March 31, 2024.

1. FINANCIAL SUMMARY:

The highlights of the Company's financial performance for the Financial Year ended on March 31, 2024, are summarized below:

Profit / (Loss) after Tax	(1,544.37)	1,08,117.03

2. OPERATIONS & STATE OF COMPANY'S AFFAIRS

A corporate insolvency resolution process (CIRP) was initiated by financial creditors against the Company under the Insolvency and Bankruptcy Code 2016 before Hon'ble National Company Law Tribunal (NCLT), New Delhi. During CIRP, the applicant i.e. Waaree Energies Limited, on January 06, 2020, submitted its resolution plan for corporate restructuring of the Company. The Hon'ble NCLT approved the said resolution plan on April 21, 2022.

Subsequent to the approval of resolution plan, the Company filed applications with BSE and NSE (Stock Exchanges) for recommencement of trading/listing of the Company in the month of July 2022. The resolution plan, inter alia, provides for reduction of capital of existing shareholders to the extent of 99% of issued and paid-up capital of the Company which makes Public Shareholding equivalent to 3.85%. Further in terms of the resolution plan Waaree Energies Limited was issued and allotted further shares in the Company amounting to 96.15%. The Company had allotted shares to Waaree Energies Limited however such allotment of shares was not reflected in the demat account of Waaree Energies Limited pending the corporate actions which is again due to pendency of relisting applications with the Stock Exchanges. However, due to certain regulatory aspects dealing with minimum public shareholding for listed companies in CIRP process, the said recommencement of trading/listing applications could not be approved by the Stock Exchanges. Pending such applications, the Company could not call for general meeting of shareholders as it was not in position to ascertain its shareholders as on respective dates due to pendency of corporate actions about reduction of capital of public shareholders and allotment of shares to Waaree Energies Limited. Also, the e-voting facility required by applicable laws could not be made available to shareholders for voting and same could be made available only upon completion of corporate actions. As on date of this report the Stock Exchanges have conditionally approved the listing applications and the Company has completed the corporate actions.

During the year under review, the Company paid the financial creditors in full much before the timelines as prescribed in the resolution plan.

After the passing of NCLT order dated April 21, 2022, Waaree Energies Limited was allotted 4,00,00,000 equity shares of Rs. 10 each in terms of the resolution plan. After such infusion of capital the shareholding pattern stood as follows:

SHAREHOLDING OF INDOSOLAR AFTER INFUSION OF RS. 40.00 Crores IN THE FORM OF EQUITY BY Resolution Applicant			
	Number of Shares	Amount of Shares	%age
Waaree Energies Limited Resolution Applicant (together with its nominees)	4,00,00,000	40,00,00,000	96.15%
Public	16,03,691	1,60,36,910	3.85%
Preference Shares	-	-	-
Total	4,16,03,691	41,60,36,910	100.00%
Face Value		Rs. 10 Per Share	

However Corporate actions were pending due to the pendency of relisting approval from stock exchanges to give effect to the above shareholding changes.

At the end of the Financial Year 2024 the capital of the Company is as follows:

1. Total Authorized Capital: INR 1000,00,00,000/- (Equity INR 500,00,00,000/- and Preference INR 500,00,00,000/-)
2. Total Paid up Equity Shares Capital: INR 41,60,36,910 (considered post CIRP reduction and fresh allotment as per the resolution plan)

As on the date of this report the corporate actions are completed and the shareholding pattern of the Company reflects the aforesaid shareholding between the promoter and the public.

m) Board Confirmation Regarding Independence of the Independent Directors

The Company has received declarations from all the Independent Directors confirming that they meet the criteria of independence as prescribed under Section 149(6) of the Act read with Rules framed thereunder, and Regulation 16(1)(b) of the Listing Regulations. In terms of Regulation 25(8) of the Listing Regulations, the Independent Directors have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties with an objective independent judgment and without any external influence.

Based on the disclosures received from all the Independent Directors, the Board after taking these declarations/disclosures on record and acknowledging the veracity of the same, concluded that the Independent Directors are persons of integrity and possess the relevant expertise and experience to qualify as Independent Directors of the Company fulfilling the conditions as specified in the Listing Regulations and are Independent of the Management.

None of the Directors on the Board of the Company have been debarred or disqualified from being appointed or continuing as Director by the Securities and Exchange Board of India, Ministry of Corporate Affairs, Reserve Bank of India or any such statutory authority.

Further, the Independent Directors have included their names in the data bank of Independent Directors maintained with the Indian Institute of Corporate Affairs in terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

n) COMPLIANCE WITH THE CODE OF CONDUCT

The Company firmly believes that with success comes more responsibility and accountability of being a corporate citizen with the highest standards of Compliance and governance. The Listing Regulations requires listed companies to lay down a code of conduct for its directors and Senior Management Personnel incorporating duties of directors including Independent Directors as laid down in the Act. Accordingly, the Company has a Board approved code of conduct for Board members and Senior Management of the Company. The said code has been placed on the Company's website and can be accessed at <https://indosolar.co.in/pdf-files/Code-of-Conduct.pdf>. All the members of the Board have affirmed compliance to the code for the Financial Year ended on March 31, 2024 and a declaration to this effect signed by the Chairman and Managing Director forms part of this Report.

3. COMMITTEES OF THE BOARD

The Board Committees are the pillars of the governance structure of the Company. The Board Committees are formed to improve board effectiveness and efficiency in areas where more focused, specialized, and subject oriented discussions are required. The Board has constituted various committees with specific terms of reference to focus effectively on specific issues and ensure expedient resolution of diverse matters in compliance with the provisions of the Act, Listing Regulations. The Members constituting the Committees are majority of Independent Directors and each committee is guided by its charter or Terms of Reference which outlines the composition, scope, roles and responsibilities of the Committees. These include the following Committees:

Annexure-A(4) 2023-24
CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members
Indosolar Limited
C-12 Friends Colony (East) New Delhi, 110065

We have examined the compliance of conditions of Corporate Governance of **Indosolar Limited** for the year ended on March 31, 2024 as stipulated in Regulations 17 to 27 and clauses (b) to (i) and (t) of Regulation 46 (2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as “**SEBI Listing Regulations**”).

Management’s Responsibility for compliance with the conditions of SEBI Listing Regulations

The compliance with the conditions of Corporate Governance is the responsibility of the management of the Company, including the preparation and maintenance of all relevant supporting records and documents. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in SEBI Listing Regulations

Our Responsibility

1. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company
2. We have examined the relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on compliance with the Corporate Governance requirements by the Company.
3. We have conducted our examination in accordance with the Guidance Note on Corporate Governance Certificate and the Guidance Manual on Quality of Audit & Attestation Services issued by the Institute of Company Secretaries of India (“ICSI”).

Opinion

1. [#]In our opinion and to the best of our information and according to the explanations given to us, and the representation made by the directors and the management, we hereby certify that due to the pendency of the relisting application with stock exchanges, to the extent possible, the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned SEBI Listing Regulations.
2. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

[#] Insolvency proceedings against the Company was initiated by the Lenders/Financial Institutions in October, 2018 and the application for Corporate Insolvency Proceedings (CIRP) against the Company was admitted by the Hon’ble National Company Law Tribunal (NCLT), New Delhi bench vide its order dated April 12, 2019 (CIRP Commencement Date). Further the Hon’ble National Company Law Tribunal, New Delhi Bench on April 21, 2022 approved the Resolution Plan submitted by Waaree Energies Limited (“Resolution Applicant”) in respect of Indosolar Limited (“Company”).

Post approval of resolution plan, the Company filed applications with BSE and NSE (Stock Exchanges) for recommencement of trading/listing of the Company in the month of July 2022. The approved resolution plan provides for reduction of capital of existing shareholders to the extent of 99% of issued and paid-up capital of the Company which makes Public Shareholding equivalent to 3.85%. Further Waaree is issued and allotted further shares in the Company amounting to 96.15%. The Company had allotted shares to Waaree Energies Limited however such allotment of shares was not reflected in the Demat account of Waaree Energies Limited pending the corporate actions due to pendency of relisting applications. However, due to certain regulatory aspects dealing with minimum public shareholding for companies in CIRP process, the said listing recommencement of trading/listing applications could not be approved by the Stock Exchanges. Pending such

Upon the application of financial creditors, a Corporate Insolvency Resolution Process ("CIRP") of the Company was initiated vide order of Hon'ble National Company Law Tribunal, New Delhi, dated April 12, 2019. During the CIRP process, Waaree Energies Limited ("Waaree"), submitted a resolution plan for acquisition of Indosolar Limited. Such Resolution Plan was subsequently approved by Committee of Creditors on February 14, 2020. Subsequent thereto, the Hon'ble National Company Law Tribunal, New Delhi, approved the resolution plan filed by Waaree Energies on April 21, 2022. As per the resolution plan, the current management took over the management of affairs of the Company from Resolution Professional by end of May 2022. However due to the fact that the Company was under CIRP, no records were available with the new management as regards various aspects of the Company. The Company is in the process of implementation of the Resolution Plan and have undertaken activities of compliance to the various applicable provisions of the laws. The Company had purchased the SDD compliance software in Month of May 2023 and updated all entries in the Software from July 2023 onwards.

The recommencement application is pending with the stock exchanges, and the company was not in position to file the statement under the various applicable provisions of the SEBI (LODR) Regulations 2015, until:

- (1) the shareholding pattern reflects the correct shareholders as per resolution plan, and
- (2) the reduced capital is reflected in the records of stock exchanges and depositories.

Due to above reason there was

1. *No Annual General Meeting for the year ended March 2023 conducted during audit period.*
2. *No generation of Annual Report for the year ended March 2023 conducted during audit period.*
3. *The adopted financial statements for the year March 2023 are not filed. MGT 7 for the year March 2023 is not filed.*
4. *Non-compliance in filing DPT-3 during the audit period.*
5. *As per Regulation 14 there was delay in payment of annual listing fees with BSE*
6. *There was non-compliance with Regulation 14, 34, of SEBI LODR, and Regulation 76 of the SEBI (Depositories and Participants) Regulations, 2018 conducted during audit period.*

We, further report that;

1. The Composition of Board of Directors of the Company is duly constituted including Committees except there was casual vacancy created by resignation of Rajender Mohan Malla, an independent director on 20.03.2024 which was not filled during the period under review. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. ***During audit period under review the directors were not regularised in the General Meeting.***
2. Board decisions are carried out with the assenting views of the Directors.

We, further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the above events occurred which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines etc.

MANAGEMENT DISCUSSION & ANALYSIS REPORT FOR THE YEAR ENDED
MARCH 31, 2023

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW

Insolvency proceedings against the Company was initiated by the Lenders/Financial Institutions in October, 2018 and the application for Corporate Insolvency Proceedings (CIRP) against the Company was admitted by the Hon'ble National Company Law Tribunal (NCLT), New Delhi bench vide its order dated 12th April, 2019 (CIRP Commencement Date).

Pursuant to the initiation of CIRP, appointment of Resolution Professional was made to carry the functions as mentioned under the Code. During the continuation of Corporate Insolvency Resolution Process (CIRP) the powers of the erstwhile Board of Directors of the Company stand suspended effective from the CIRP Commencement date and such powers along with the management of affairs of the Company are vested with the Resolution Professional. Upon approval of Resolution Plan by Hon'ble NCLT on April 21, 2022, the erstwhile board of directors deemed to have resigned effective from Effective Date.

As disclosed in the Boards' Report the Company is yet to commence operations and is proposing to set up module manufacturing line at its premises at Noida. Therefore, for the period under review the management does not have any views on the operations of the Company. The management discussions as contained in this report are purely based on the proposed business plans of the Company taking into account the module manufacturing facility to be set up at Noida.

INDUSTRY STRUCTURE AND DEVELOPMENTS

India is advancing towards self-reliance in solar cell and module manufacturing, with import reductions and domestic capacity expansion by various companies. Despite dependencies on imports for photovoltaic cells and wafers, Indian manufacturers are increasingly exporting solar modules. Government initiatives like the Production-Linked Incentive scheme are boosting local production. Several factors, including the expansion of domestic manufacturing capacity and the government's proactive measures, have over the past years contributed to a positive change in India's overall solar landscape.

Management expects the aforesaid measures will support the Company to grow in the solar modules space.

COMPANY STRUCTURE AND DEVELOPMENTS

The Hon'ble National Company Law Tribunal, New Delhi Bench on April 21, 2022 approved the Resolution Plan submitted by Waaree Energies Limited ("Resolution Applicant") in respect of Indosolar Limited ("Company"). the Company is implementing the resolution plan.

The Company filed applications with BSE and NSE (Stock Exchanges) for recommencement of trading/listing of the Company in the month of July 2022. The approved resolution plan provides for reduction of capital of existing shareholders to the extent of 99% of issued and paid-up capital of the Company which makes Public Shareholding equivalent to 3.85%. Further Waaree is issued and allotted further shares in the Company amounting to 96.15%. The Company had allotted shares to Waaree Energies Limited however such allotment of shares was not reflected in the Demat account of Waaree Energies Limited pending the corporate actions due to pendency of relisting applications. However, due to certain regulatory aspects dealing with minimum public shareholding for companies in CIRP process, the said listing recommencement of trading/listing applications could not be approved by the Stock Exchanges. Pending such applications, the Company could not call for general meeting of shareholders as it was not in position to ascertain its shareholders as on date due to pendency of corporate actions about reduction of capital of public shareholders and allotment of shares to Waaree Energies Limited. Also, the e-voting facility required by applicable laws could not be made available to shareholders for voting only upon completion of corporate actions. As on date of this report the Stock Exchanges have conditionally approved the listing applications and the Company has completed the corporate actions.

We have audited the financial statements of Indosolar Limited ("the Company"), which comprise the balance sheet as at 31st March 2024, and the statement of Profit and Loss (Including Other Comprehensive Income), statement of cash flows and statement of changes in equity for the year ended 31st March 2024, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (herein referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, and Loss (Financial performance including other comprehensive income), its cash flows and changes in equity for the year ended 31st March 2024.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other matters

We draw our attention to Note no 43 of financial statement in respect of our appointment as a statutory auditor pending to be approved by the members in the general meeting within 3 months from the date of recommendation by the board as per Section 139 (8) of Companies Act, 2013.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the and accounting principles generally accepted in India, including the specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

3. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
4. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph (v) a below on reporting under Rule 11 (g);
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to adequacy of the internal financial control over financial reporting of the company and the operating effectiveness of such controls refer our separate report in **Annexure B"** and
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company doesnot have pending litigation which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

SGCO & Co. LLP

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement
- (v) Based on our examination, which include test checks, the company has used accounting software for maintaining its books of accounts for the Financial year ended March 31, 2024 which have the feature of recording audit trail (edit log) facility but the same has not been enabled throughout the year.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024
- vi) In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors during the current year, thus the provision of Section 197 are not applicable to the company. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us

Annexure "B" to the Independent Auditor's Report of even date on the financial statements of Indosolar Limited for the year ended 31st March 2024.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Indosolar Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1 Corporate Information

Indosolar Limited (the "Company") is a public company domiciled and incorporated in India (CIN: L18101DL2005PLC134879). The address of the Company's registered office is C-12 Friends Colony (East) New Delhi 110065. The Company's shares are listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE).

The Company is the Indian manufacturer of solar modules and its manufacturing facility is located at Greater Noida, Uttar Pradesh. The Company had shut down its production facilities with effect from 15 May 2018.

Note 2 Corporate Insolvency Resolution Plan

Pursuant to an application made by Corporation Bank of India, the Hon'ble National Company Law Tribunal, Delhi bench ("Adjudicating Authority"), vide its order dated 12th April, 2022, had ordered the commencement of the corporate insolvency resolution ("CIRP") process in respect of the company under the provisions of the Insolvency and Bankruptcy Code, 2016 (the "Code").

Pursuant to its order dated 21st April, 2019 ("NCLT Order"), the Adjudicating Authority approved the resolution plan ("Approved Resolution Plan") submitted by Waaree Energies Limited, ("Resolution Applicants") ("RAs") for the Company under Section 30(6) and 31 of the Insolvency and Bankruptcy Code, 2016 ("Code"). As per the terms of Section 30(6) and 31 of the Code, the Approved Resolution Plan shall be binding on the Company, its employees, members, creditors, guarantors and other stakeholders involved in the Resolution Plan.

Pursuant to the Approved Resolution Plan, during the period between the NCLT Approval Date (as defined in the Approved Resolution Plan) and the Closing Date (as defined in the Approved Resolution Plan) ("Interim Period"), a monitoring committee shall be constituted ("Monitoring Committee") which during the period following the CCI Approval Date and until the Closing Date (as defined in the Approved Resolution Plan), shall comprise of 1 (One) representatives of the Financial Creditors, 1 (One) representatives of the Resolution Applicants and the Qualified Resolution Professional. Thus, for the period between the NCLT Approval Date (as defined in the Approved Resolution Plan) and the Closing Date (as defined in the Approved Resolution Plan), the Monitoring Committee has accordingly been formed to maintain the Company as a going concern and to supervise the implementation of the Approved Resolution Plan.

The approved resolution plan has commenced the accounts prepared on 'going concern' basis

Note 2 : Material Accounting Policies, Accounting Judgements, Estimates and Assumptions :

(A) Material Accounting policies

i Basis of Preparation

The financial statements of the Company have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under the Companies (Accounting Standards) Rules, 2015.

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

All the assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance set out in Schedule III to the Act. Based on nature of services, the Company ascertained its operating cycle as 12 months for the purpose of current and non-current classification of asset and liabilities.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

ii Accounting Estimates

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Defined benefit plans

Since, the company doesn't have any employees at the year end the company has not recognized any expense in relation to gratuity as per Ind As 19 "Employee Benefit Expenses".

iii Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

iv Depreciation/ Amortisation

a) Depreciation on Property, Plant and Equipment has been provided on a pro-rata basis on the straight-line method over the estimated useful lives of the assets which are in agreement with the rates prescribed under schedule II to the Companies Act 2013, except for the category of assets mentioned in Table B in order to reflect the actual usage of the asset.

b) Intangible assets consisting of softwares, licenses and Dossier/ Marketing Rights are amortised over their useful life.

Sr.No.	Asset category	Useful Life in Years
1	Plant & Machinery	25 years
3	Computer	3 years
4	Office Equipments	5 years
5	Furniture	10 years
6	Electrical Installation	10 years
7	Factory Building	30 Years
8	Non Factory Building	60 Years
9	Server	6 years
10	Vehicles	8-10 years

The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of property plant and equipment (as mentioned above) over estimated useful lives which are different from the useful lives prescribed under Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

vi Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets**Initial Recognition**

In the case of financial assets, not recorded at fair value through profit or loss (FVTPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

c) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial Liabilities

1) Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

3) De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

d) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

vii Employee Benefits

a Defined Contribution Plan

The Company's defined contribution plan comprises of Provident Fund, Employee State Insurance Scheme and Labour Welfare Fund. The Company has not recognised any expense related to defined contribution plan since the Company does not have any employees.

b Defined Benefit Plan

Since, the company doesn't have any employees at the year end the company has not recognized any expense in relation to gratuity as per Ind As 19 "Employee Benefit Expenses".

viii Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

ix Foreign Exchange Translation and Accounting of Foreign Exchange Transaction

a Initial Recognition

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. However, for practical reasons, the Company uses a monthly average rate if the average rate approximate the actual rate at the date of the transactions.

b Conversion

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss except those arising from investment in Non Integral operations.

x Revenue Recognition

a) Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

b) Revenue from sales of goods is recognized net of rebates and discounts on transfer of significant risks and rewards of ownership to the buyer. Sales of goods are recognized gross of excise duty but net of Sales Tax and Value Added Tax. From July '17 onwards, Sales are considered net of Goods and Services Tax.

c) Interest is recognised on a time proportion basis taking in to account the amount outstanding and the rate applicable.

d) Dividend income is recognised when right to receive the same is established.

xi Non Current assets classified as held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered through a sale transaction rather than through continuing use.

They are measured at lower of carrying amount and fair value less cost to sell.

This condition is regarded as met only when the sale is highly probable and the asset (or disposal group) is available for immediate sale in its present condition. Management must be committed to the sale which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets and disposal groups classified as held for sale are not depreciated and are measured at the lower of carrying amount and fair value less costs to sell. Such assets and disposal groups are presented separately on the face of the consolidated balance sheet.

xii Government Grant

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attached to them and that the grants will be received.

Government grants are recognised in the statement of profit and loss on a systematic basis over the years in which the Group recognises as expenses the related costs for which the grants are intended to compensate or when performance obligations are met.

Government grants and subsidies whose primary condition is that the Group should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the balance sheet which is disclosed as deferred grant receivable and transferred to the Statement of profit and loss on a systematic basis over the expected useful life of the related assets. Government grants and subsidies related to the income are deferred which is disclosed as deferred revenue arising from government grant in the balance sheet and recognized in the statement of profit and loss as an income in the period in which related obligations are met.

xiii Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand, which are subject to an insignificant risk of changes in value.

xiv Income Tax

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a Current Income Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b Deferred Income Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

xv Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

xvi Trade payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

xvii Inventories

Inventories are valued as follows:

- Finished Goods are valued at lower of cost or net realisable value.
- Raw Material are valued at lower of cost or net realisable value.
- Packing Materials are valued at cost or net realisable value.
- Work in process is valued at lower of cost or net realisable value.
- Stock in trade is valued at a lower of cost or net realizable value.

Cost is arrived at on weighted average cost method.

xviii Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an

Company as a lessee

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

xix Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

Immaterial Accounting information policy

xx Impairment of Non-Financial Assets

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

xxi Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

xxii Rounding of amounts

All amounts disclosed in the financials statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III.

xxiii Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2024, MCA has not notified any new standards or amendments to the existing standard applicable to the company.

Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

The significant actuarial assumptions were as follows:

Financial assumptions	Year ended March 31, 2024	Year ended March 31, 2023
Discount rate	7.20%	-
Salary escalation rate	10% p.a. for next 1 year & 8% p.a. thereafter	-
Withdrawal rates	20% p.a.	-

Sensitivity

The sensitivity of the overall plan liabilities to changes in the weighted key assumptions are:

Particulars	Year ended March 31, 2024	Year ended March 31, 2023
	Increase/decrease in liability	Increase/decrease in liability
<u>Discount rate varied by 0.5%</u>		
0.50%	0.09	-
-0.50%	0.09	-
<u>Salary growth rate varied by 0.5%</u>		
0.50%	0.09	-

<u>Withdrawal rate (W.R.) varied by 10%</u>		
W.R.* 110%	0.08	-
W.R.* 90%	0.10	-

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

The expected future cash flows as at March 31, 2024 and March 31, 2023 were as follows:

Note 38 :Segment Reporting as required under Indian Accounting Standard 108, "Operating Segments" :

The Company is primarily engaged in manufacturing of solar cells and modules which is considered as the only reportable business segment. The CODM evaluates the Company's performance and allocates resources based on analysis of various performance indicators. The Company has not carried out any operations during the year and does not have any revenue from operations. All non-current assets of the Company are located in India.

Note 39 : Leases

Effective April 1, 2019, the company has adopted Ind AS 116, Leases, using modified retrospective approach. On adoption of the new standard IND AS 116 resulted in recognition of 'right of use' assets and a lease liability. The cumulative effect of applying the standard, has been debited to retained earnings. The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 will result in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

Following are the changes in the carrying value of right of use assets

Particulars	As at March 31, 2024	As at March 31, 2023

Note 40 : Financial instruments – fair values and risk management

A. Accounting classification and fair value

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

Particulars	As at March 31, 2024	As at March 31, 2023
Financial Assets at amortised cost		
Other Financial Assets	23.13	89.68
Cash and Cash Equivalents	92.87	85.93
Bank Balances other than Cash and Cash Equivalents	411.36	339.13
	527.36	514.74
Financial liabilities		
Borrowings *	9,893.39	6,030.66
Other financial liabilities	4,114.06	89.72
Lease Liability	275.81	274.21
Trade payables	235.97	22.56
	14,519.23	6,417.15

* includes current maturities of long term borrowings

The fair value of the financial assets & liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The management assessed that fair value of cash and cash equivalents, trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

B. Financial Risk Management

B.i. Risk management framework

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the company's operational and financial performance.

B.ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the group grants credit terms in the normal course of business.

The Company measures the expected credit loss of trade receivables based on historical trend, industry practices and the business environment in which the entity operates. The Group uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors such as credit ratings from credit rating agencies, financial condition, ageing of accounts receivable and the group's historical experience for customers.

(b) Cash and cash equivalents and other bank balances

The Company held cash and cash equivalents and other bank balances of ₹ 504.23 Lakhs as at March 31, 2024 (March 31, 2023: ₹ 425.06 Lakhs). The cash and cash equivalents are held with bank with good credit ratings and financial institution counterparties with good market standing.

Note 40 : Financial instruments – Fair values and risk management (continued)**B.iii. Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Liquidity risk is managed by Company through effective fund management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and other borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted.

Sensitivity analysis

A reasonably possible strengthening / (weakening) of the Indian Rupee against US dollars at December 31, would have affected the measurement of financial instruments denominated in US dollars and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. In cases where the related foreign exchange fluctuation is capitalised to Property Plant and Equipment or recognised directly in reserves, the impact indicated below may affect the companies income statement over the remaining life of the related fixed assets or the remaining tenure of the borrowing respectively.

Note 40 : Financial instruments – Fair values and risk management (continued)**B.iv.b Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.

Exposure to interest rate risk

Company's interest rate risk arises primarily from borrowings. The interest rate profile of the Company's interest-bearing financial instruments is as follows.

Particulars	As at March 31, 2024	As at March 31, 2023
Variable rate borrowings	-	-
Fixed rate borrowings	-	2,173.46
Total Borrowings	-	2,173.46

Flow sensitivity analysis for variable-rate instruments

The sensitivity analysis below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting year and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in the case of instruments that have floating rates. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

B.iv.c Other price risk

The Company invests its surplus funds in various Equity and debt instruments. These comprise of mainly liquid schemes of mutual funds (liquid investments), Equity shares, Debentures and fixed deposits. This investments are susceptible to market price risk, mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However due to very short tenor of the underlying portfolio in the liquid schemes, these do not pose any significant price risk.

Note 41 : Capital Management

The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to its shareholders. Management monitors the return on capital as well as the debt equity ratio and make necessary adjustments in the capital structure for the development of the business. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day - to - day needs. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

Note 42 :Ratios (refer ratios Note)

Note 43 :

In accordance with the approved Resolution Plan, an application was filed by the Company with BSE and NSE on 21st June, 2022 and 5th September, 2022 respectively for recommencement of trading of Company's shares. The Company also sought waiver of the Compliance with Minimum Public Sharing (MPS) holding requirement pursuant to Rule 19A of Securities Contracts (Regulation) Rules 1957 and in accordance with the waiver clauses as provided in the Resolution Plan. In response to which several clarifications were sought by BSE and NSE and the Company duly addressed the same. However, NSE and BSE had till date not removed the suspension of the trading which was suspended w.e.f. June 27, 2022 (i.e., closing hours of trading on June 26, 2022) on account of Capital Reduction pursuant to NCLT Order dated April 21, 2022.

The Company along with the Successful Resolution Applicant also filed an IA No. 4992 of 2023 in CP IB/1481/PB/2018 seeking the directions of the Hon'ble National Company Law Tribunal to direct the NSE and BSE to waive off the compliance with Minimum Public Shareholding. However, during the course of the argument, the Bench was of the opinion that since the Resolution Plan approved by the Hon'ble Tribunal vide its order 21st April 2022, already stipulates waiver from compliance of SEBI Regulations 38 of the Listing regulations under which a listed entity needs to comply with the Minimum Public Shareholding requirements as specified in Rule 19(2) and Rule 19 A of the Securities Contracts (Regulation) Rules, 1957. The Company has submitted representation to BSE and NSE for recommencement of trading pursuant to hearing before NCLT. The Company awaits a response from BSE and NSE.

During the financial year 2022-23, the previous auditor had resigned which resulted into causal vacancy. The Board subsequently appointed M/s. SGCO & CO as statutory auditors of the Company at the meeting of Board held on November 14, 2022. The Company had also appointed certain directors as additional directors to comply with applicable laws.

Due to pendency of aforesaid applications the Company is unable to ascertain its members for conveying the general meeting. The company is unable to regularize the appointment of Statutory auditors appointed to fill casual vacancy as well as the directors of the company as additional directors. As soon as the relisting approvals are received and capital reduction and allotment if effected in depository the Company will call for general meeting and propose approval of matters including the appointment of auditors to the members.

Note 44 :Corporate Insolvency Resolution plan
